Pumpkin Fun

As you are probably aware there is to be a pumpkin trail around Loftus that children can follow and enjoy on October 31st. We had six pumpkins donated to school for this event. They have been shared out into classes to decorate and then on Friday the children's names from those classes will be put into a hat and a child will be chosen to bring the pumpkin home. If you are the lucky family, please will you display the pumpkin in your window or on your doorstep so that children can see it as they take part in the pumpkin trail. Thank you.

Early Years News

Please could we ask for children to bring spare clothes every day, we're starting to get some very wet weather and really love to get outdoors and explore it!

What have we been up to this week?

Pre-Nursery: This week we have been exploring the water indoors. We have loved bathing the babies in all of the bubbles!

Nursery: Following on from making bread last week, this week we have made our own pizzas! We chose our own toppings and really enjoyed eating them at snack time.

Reception: This week we have had some visitors into our class… pirates! They have left us some treasure to look after. We have also read the "Little Red Riding Hood" story this week and have enjoyed making some cakes like the ones she gave to Grandma.

The Foxwood Project

Hello from Foxwood.

We are trying to keep the spirit of autumn alive and everyone's spirits up during this difficult Covid19 situation. Please join us in keeping your hands busy and your spirits high!

We would really like you to participate by getting creative and carving, painting or decorating any design you like onto a pumpkin and sending us a photo to share with the community.

There is also a competition on our website if you would like to be in with a chance to win some prizes!

The pumpkin trail is free and open to everyone from 4pm on the 30th October until 4pm 1st of November.

The trail is completely outdoors but please remember to stay Corona Virus safe by wearing masks and following social distancing guidelines.
