Key Stage 1's Trip to Flamingo Land Zoo

On Monday 12th March, Year 1 and Year 2 visited Flamingo Land Zoo. Despite the rain, the children had a fantastic day and we managed to do lots of exploring.

When we arrived, we took part in a workshop. Year 1 were exploring different habitats and Year 2 were African rangers and studied different artefacts. After the activities, we had our lunch and then went on an animal hunt. All the children were eager to find and spot as many animals as they could. Luckily, the animals made an appearance and came out to see us. We saw several including the rhinos, tigers, giraffes and zebras. The children enjoyed going on the wallaby trail and they even got to see a baby joey. We finished the day in the

aquarium watching the sea lions swim by.

A huge well done to all of the children, their behaviour was exceptional and they did Handale proud.

Year 6 Anti-Bullying Workshops

This week, Year 6 began working with Kate Hilliard, a local anti-bullying consultant. This was the first of four planned sessions and our pupils learned about the difference between being rude, being mean and bullying. As we've come to expect, throughout the session they listened well, were very respectful and have proven why they are such great role models to those around them.

If You Don't Ask, You Don't Get!

A short while ago, Faye Stone wrote a letter to South Devon Chilli Farm, asking if they would be able to help us out with a donation of chilli seeds. The idea came from a conversation some of the children and adults had, where we decided it would be great to grow some in our new poly-tunnel and then sell them to raise money towards the Year 5/6 residential visit.

For a little while, we heard nothing but this week, we received a fantastic and very generous donation. Our thanks go to Faye for helping develop the idea and for making contact. We've been bowled over by the generosity and friendliness of South Devon Chilli Farm and are now really excited to get growing.
