## **WELCOME BACK**

Welcome back and I hope you had a lovely summer. The children have settled really quickly and well into our new year.

Your class teachers will be sending out class news very soon, with information about trips and topics, and I hope you have received by now your letters about after school clubs which start next week. There are lots of clubs run voluntarily by staff at the school and other providers and we are pleased to say there will be no charge for any of our clubs this year. More clubs will become available as we move through the year. We welcome Miss Gale into Year 1, Mr. Farrier into Year 3 and Miss Anderson into Year 4. Miss Kendall and Mr Farrier have already been busy organising our sports calendar which once again is very full and exciting. We are able to offer at no extra charge earlier starts to our Breakfast Club on a Thursday and Friday in response to parental requests and so on those days only at present it will start at 7.30 am. I would like to take this opportunity to wholeheartedly thank Mrs Robinson for all the hard work she puts into our Breakfast Club every day.

## **Parents' Coffee Afternoon and Cake Sale**

Parents and friends of Handale we need you! You are all invited to a PTFA (Parents Teachers and Friends Association) coffee afternoon on Wednesday 13<sup>th</sup> September straight after school (3.30pm) to find out more about what we do and how you can help. It will take place in the main school hall and there will be free tea, coffee and juice available and cakes on sale. You are welcome to bring your children along. We look forward to seeing lots of you there!

Happy Birthday

### Early Years News:

We would like to welcome Katelyn Welburn to our Pre-nursery class this week. We would also like to welcome Blake Broom, Redgi Housam, Luca Schwec and Aiden Lindsey to our Nursery class.

### Nursery:

As we return back to school this week some of our Nursery children are now attending for 30 hours a week. This has been very exciting for everyone and the children have really enjoyed staying for a lovely homemade lunch too. If you would like to know more about how you could have 30 hours free education in nursery just pop into Nursery and speak to Mrs Lister.

### Reception:

The children, and staff, in Reception have had a fabulous first week in school. They have made new friends and explored the classroom both indoors and outdoors. Lunchtime has been very successful too. The children have enjoyed picking what they would like to eat and have also managed to carry their own tray. If you want to find out more about our day please do not hesitate to speak to a member of the Reception team.

Please help us by putting your child's name in all their uniform including PE kit.

### Fluoride Varnishing - Prizes to be won!

We would ask that all parents look out for consent forms, which will be sent out next week, for the next application of Fluoride Varnish. As previously mentioned this adds invaluable protection for your child's teeth. If that wasn't incentive enough to fill in the consent form, there is also a prize draw! All consent forms will be put into a hat and prizes will be drawn for Key Stage 1, Key Stage 2 and Early Years. Thank you for your continued support and good luck!
