Fun Days for Nursery at Danby Moor:

Nursery children have been on 'Teddy Bear Adventures' at Danby Moor. The rain did not dampen our spirits and we still had a fabulous time. We all took our own teddies to join in the fun and explore the woods with us.

We had the story of 'We're Going on a Bear Hunt' and then set off on our own bear hunt (We weren't scared!!!) We wore the bear headbands we had made to help with our search. As we travelled through the woods we found the bears we had coloured hiding in the trees! When we had found all of our bears we arrived at an area set out with a snack and story for us, as searching for bears is thirsty work.

We discovered lots of things on our adventures including a squirrel, ducks and ducklings and even a toad! We found houses belonging to fairies and although we didn't see any when we listened carefully we thought we could hear them singing.

Having our lunch together was great fun and a lot of the children were looking forward to this from the minute we got on the bus!

The children (and some of the adults) enjoyed playing inside the centre; sliding down the tree, building with the blocks and using the climbing wall. It was then time to get back on our bus to return to school; tired, a little bit muddy but definitely having had a brilliant time.
