What a Superstar!

On Wednesday 24th October Eliana donated over 30cm of her hair to 'The Little Princess Trust'.

We think you will all agree this is such an amazing thing for a young girl to do. Eliana is still accepting sponsorship for what she has done and the money raised will go to the charity.

Before the summer holidays, Eliana was learning about charities in school. The Little Princess Trust is one Eliana and her mum

Gemma came across and after a few conversations Eliana's mind was set. She decided she wanted to help others by donating her hair.

We are all hugely proud of you Eliana and want to say a massive thank you. Well done!

YEAR 5 TRIP

On Wednesday this week, Year 5 visited the Tees Barrage and worked with the Canal and River Trust. Over the course of the day, our

wonderful pupils learnt about the source, course and mouth of the river as well as aspects of conservation

that have made it as healthy an environment as it is today. They compared the Tees to the

Amazon River, helping us all gain a better understanding of our autumn term topic.

We were even lucky enough to go up into the control tower of the barrage and open the gates, allowing thousand of litres of water to flow downstream.

Our thanks go to everyone who helped us organise the day and of course to our pupils, who were a credit to the school.

Enrichment Event Reminder

The school will host an art based enrichment event themed around bonfire night on Monday 5th November at 2pm with the exception of year 2, who will host their event on Tuesday 6th November at 2pm. Please note that parents of siblings can move between classes but cannot take children to other classrooms. We look forward to seeing you all for some firework fun!
