Hello Year 6. Hopefully you are all okay. Not too bored? As we move into a stricter lock down please make sure you use your time wisely. Keep learning, keep enjoying it and make sure that if you have a question that you ask. Mr Emmerson

Hello Year 2,

I've had quite a busy day in school today, it's amazing what I get done when I don't have you all in to distract me and make me laugh. I hope your day has been very busy and you have completed some more work. Thank you to those who have emailed me to keep me up to date with what you are learning. I would love to receive more emails so I can hear from you and see what you have been doing. Tonight, I am going to set myself a challenge and read a book that I haven't read before. Can you do the same? I'd love to hear all about it. Keep smiling and I hope you have been good for your parents.

Hello Year 3

I hope you are all still working hard with your home learning packs and keeping busy. I know that for many of you it will be hard not being able to go outside as much as you would like to so why not try to bring the outside in? If you have access to the internet, you can watch live webcams from San Diego Zoo and Edinburgh Zoo and watch animals such as lions, penguins, polar bears and many more. You could even draw, write descriptions, fact files or stories about the animals.

Keep yourselves busy and the time inside will fly by!

Hello Nursery Children,

We have been busy today. We have enjoyed sharing books with Mrs Lister. She shared some of your favourite books with us. We especially enjoyed Toddle Waddle and Goat Goes to Playgroup. We are now reading Rosie's Walk (Mrs Lister said she read this in nursery last week). We are finding it really funny that Rosie the hen does not know that the fox gets into all sorts of trouble! We hope you have had the chance to share some stories at home.

Love

Morning Floppy and Afternoon Floppy xx

Hello Year 5,

I hope you're all staying safe at home.

I'm at school today with the children whose parents are key workers. We started our morning by doing Joe Wicks' online PE session, which woke us up and got us motivated for the day ahead. It was really fun and you can follow it every day too- just log onto YouTube and search for 'Body Coach TV'. He streams live every morning at 9am, so take part and get a parent to take some photos to email into me for our display wall when we return. This is extra important because of our current situation- we don't want to become unmotivated and lazy whilst we are away from school.

Remember, if there is anything you do whilst you are away that you are really proud of, or anything that you need help with, get in touch with me via email.

Stay safe,

Mr Bell

Hello Year 1!

Hope you are well and keeping busy. I've finished my book so I'm about to start a new one. How many books have you read?

Yesterday I did some baking and I made some little bread buns and a banana cake.

Have you been helping to make meals? What maths have you been using?

Stay safe and stay active.

With love from,

Miss Khanam

Hi Year 4,

Hope you aren't all missing me too much yet! Today I have been really busy, I've done a morning PE workout on YouTube, I've wrote some reports and I've done a lot of house work. Make sure you're all taking care of yourself and keep doing bits of work each day. Later, I am going to research and find out facts about an animal I don't know much about. I wonder if you could do the same. Remember to email if you want to share anything with me.

Hello Reception Children

Hope you all had a good day yesterday. For today why don't you try writing a silly sentence to make everyone laugh at home! Remember to go back to the beginning after every word to check it makes sense. Have a look at what is in your work pack from school and choose some jobs to do. I'm sure if you ask a grownup at home they will help you pick something to do. Have fun today and remember to help out at home as much as you can.

With Love

Good afternoon year 3,

I hope you are all okay? It's been lovely weather today have you been doing some outdoor learning in the garden? I would love to see what you've been up too - don't forget you can email me.

Hello SLC,

I hope you have all been keeping yourselves busy and are managing to keep safe! The sun is shining again, so in between your work timetables, please make sure you have a break either in your garden or back yard where ever possible - fresh air is very important as is exercise. Please drop me an email if you want to ask me anything about your work packs, or even if you are just missing me!

Hopefully hear from some of you soon.

Keep Smiling,

Miss Kendall x
