

Monday 23rd March 2020

Hello Year 3,

I hope you have been working hard on your home learning packs today. I have made sure that I have done some exercise to make sure my mind and body are healthy. Have you done some exercise today?

Miss Tyson

styson@handale.rac.sch.uk

Hello Year 2,

I'm more than certain you will have all been busy working on your homework packs at home. I've been busy in school working on different things and it is so quiet without you all. I am already missing you all loads. I really hope you are all still smiling and showing your parents how amazing you all are. My extra challenge for you today is the number 25. How many ways can you make it or create it?

Take care, Miss Price

rprice@handale.rac.sch.uk

Hello Year 5,

I hope you're all well and made a good start on your Home Learning packs. If you haven't already, make sure you make yourself a timetable- it's important to keep in a routine.

I've used the first day of school closure to make a start on the yearly reports that will go out to your parents at the end of the school year. I've already found lots of things to say about you all which make me proud.

Stay safe and I hope to see you all soon,

Mr Bell

lbell@handale.rac.sch.uk

Hello there Nursery,

We went home with Mrs Lister while we are off school. We have had a chat to her bears again and told them what you are all up to. They thought it very exciting to see us again so soon. We did our exercises with Joe Wicks this morning which was a good start to our day, Love Morning Floppy and Afternoon Floppy

clister@handale.rac.sch.uk

Hello Year 6, keep smiling and keeping yourselves safe. Use your packs to keep you busy and e-mail me with any questions you have. Try not to miss me too much during this period. Mr Emmerson
pemmerson@handale.rac.sch.uk

Good morning Year 1.

I hope you are well and keeping busy. I've just done the workout with Joe Wicks. It was very challenging but I will keep doing it everyday.

I've also been cooking and cleaning.

I hope you are reading everyday. I've nearly finished my book.

I look forward to hearing from you.

Take care

Miss Khanam

rkhanam@handale.rac.sch.uk

Hello Year 3

I hope you have all had a successful first day learning at home and are enjoying working through your learning packs. This morning, I did the Joe Wicks morning PE session on Youtube with my daughters - you should try it if you haven't already. I look forward to hearing what you have all been up to.

Mrs Porter

rsmiley@handale.rac.sch.uk

Hello Reception Children

This is a reminder to make sure you are doing your phonics homework every day. Read the phase 2 phonemes first then have a look at your phase 3. I'm doing my phonics every day and I am also getting ready the new phase 3 trigraphs for when we come back to school!

Make sure you get some exercise too. Show the grownups you are with how to do Activate! Remember you are the experts so make sure they do it right. You could even make a 'Pride Point' list and give out Pride Points for the best Activate.

With Love

Mrs Skirving and Miss Barwick

eskirving@handale.rac.sch.uk

Hello SLC,

I hope you are all keeping safe and are enjoying your learning from home up to now. I have been thinking about lots of exciting things we can do when we return to school.

Please keep working hard and challenging yourself in different ways and help out as much as you can at home as well!

Keep smiling,

Miss Kendall x

Hello Year 4

I hope you're all ok and have had fun doing your work today. I have spent today tidying our PE cupboard in school and the rest of the week will be doing some gardening at home. Stay safe and I hope to see you all soon.

Mr Farrier
