Dear Parents / Carers

Please find attached the final report from the recent visit of Ofsted to Handale Primary School. We are very pleased with the outcome especially as we have been inspected under a new Ofsted framework which only came into force in September 2019.

I would like to thank all the staff, pupils and parents who have made this such a successful outcome and it was a pleasure to read a report that we feel represents our school very well.

We will be working together as a governing body with staff, pupils and parents to improve the areas suggested and look forward to working with you in the future.

It only remains for me to say a well done to the staff and pupils for all the hard work they put into making Handale Primary School such a good school.

If there are aspects of the report you would like to discuss with a member of the governing body or a member of the senior leadership team please make an appointment in school.

Yours sincerely

Mr D. Fowler

Chair of Governors.
