

Daily Messages 20th April 2020

Hello Year 2,

I have really missed writing to you all and it is lovely to be able to start speaking to you again. I hope you have all had a lovely Easter and enjoyed making lots of memories with your families. I have eaten far too many Easter eggs, I have baked too many cakes and I am starting to get sick of walking. Luckily, I have spent some days in school doing different jobs to keep me busy. As you will all probably know, we have another three weeks of lockdown and hopefully after that we will know more about when we will be together again.

I am busy creating lots of work for you all to keep you busy as it is important that you keep learning and trying hard even though you are at home. It would be lovely for you all to send me an email and let me know what you have been up to, it would be lovely to hear about your Easter holidays.

Also, if any of you enjoyed completing the reading challenge which I set on the newsletter before the holidays, please send me the pictures – I would love to see what strange places you all found to read in.

Stay safe, take care and I missing you so so so much. I hope you enjoyed watching the video, even Truffles enjoyed creating it!

Miss Price

Hello Year 3!

I hope you are all keeping well and had a fantastic Easter in this lovely sunshine with your families (even if it was a bit different). I would love to see what you have been up to over the past couple of weeks, please email me some photos. It is now the start of the summer term and I trust that you are all raring to go again with your home learning - remember, work hard!

Miss Tyson

styson@handale.rac.sch.uk

Good morning Year 1,

How are you? I hope you have had a wonderful Easter holiday. Have you eaten lots of chocolates? Have you been busy? What have you done to relax? Have you been enjoying the lovely sunny weather we've had? I most certainly have! I've been out every day, either walking or running. I'm on a mission to get fit and, with the weather being so lovely, I've taken myself to the park every day. I'm still doing the PE lessons with Joe Wicks and I hope you are too. I've been relaxing by doing yoga, cooking, reading, watching films and drawing. I've also been talking to friends and family using video chat a lot. It's good to talk and see my loved ones. Have you been keeping in touch with your family and friends? Are you talking to them regularly?

I miss you and I can't wait to see you all again, but until then please send me your messages, pictures and videos. I love seeing them and it makes me feel happy 😊

Love, Miss Khanam x rkhanam@handale.rac.sch.uk

Hello Year 3

I hope you all had an enjoyable Easter and ate plenty of Easter eggs. It was a strange 2 weeks off not being able to go anywhere or visit anyone but it is important that we all continue to stay at home and stay safe. I hope you have all had chance to watch the video we made for you. I had fun filming my parts and I hope it put a smile on your faces.

Today, I have been into school to photocopy your new home learning packs. It feels very strange that it is the first day of a new term, there is a new topic to start and we aren't in school to experience it together but we are all doing our bit to stay safe and that is what is most important at the moment.

Please continue to keep in touch. Let me or Mrs Brodie know about what you have been achieving at home. We check our emails regularly and it is always a lovely surprise to have an email from someone in our class.

Mrs Porter rporter@handale.rac.sch.uk

Hello Year 6 and welcome back after your Easter break. I hope that you are all well and refreshed the best that you can be under the circumstances. Your packs will be ready this week and I am well aware that there are still numerous activities remaining within your CGP books, particularly reading comprehension and maths reasoning, so carry on with them as normal and if you have any questions then please contact me. There are further English and Maths activities available within your new grids to run alongside and keep you busy, but take your time and ensure you are understanding. That is more important than the speed with which they are completed. The topic grids themselves which you will receive this week have numerous creative activities also so please do your best with these and most importantly enjoy them. Do not struggle! You all have my e-mail address so contact me with any questions that you may have and I will respond as quickly as I can. However, as we move into your last term in Primary School, and I know this is not an ideal circumstance for you all, let's give this a big final push to prepare yourselves the best that we can to ensure that you are ready for your secondary education.

Mr Emmerson

pemmerson@handale.rac.sch.uk

Hi children,

I hope you have all had a lovely break from your work packs over Easter and have eaten lots of yummy chocolate! I have and enjoyed every minute of it. Try to get your heads back in a work mode now and start thinking about all those wonderful things you can learn. I hope you all enjoyed the 'Waving Flag' video how funny was it!

Take Care, Stay Safe

Miss you all,

Miss Kendall

Hello Nursery Children,

We had hoped that we would be back at nursery today. But Mrs Lister has said that we need to stay at home for a bit longer to keep everyone safe.

As we are staying at home we are trying to find ways to keep ourselves busy. So Mrs Lister took a look at the pack that we got before Easter and said we could make a 'talking box'. We collected things from around the house to put in the box and then each chose an item that we would like to talk about. It was good fun and we needed to do good talking and good listening to play the game.

Perhaps you could make a 'talking box' if you haven't already.

Today it is Lottie's birthday, so we would like to say Happy Birthday to Lottie from all her friends in nursery.

We miss you all and hope to see you soon. Take care,

Love from

Morning Floppy and Afternoon Floppy xx clister@handale.rac.sch.uk

Hello Year 5,

I hope you are all staying safe at home and are well rested and raring to start your learning again after the Easter holidays. I spent this morning in school, preparing your home learning packs ready for your parents to pick up this week. I've tried to fill them with lots of fun activities for you to learn from, many of which are based on our new topic: Space.

I miss you all and can't wait to see you back in the classroom again.

All the best,

Mr Bell lbell@handale.rac.sch.uk

Hello Reception Children

Have you eaten all your Easter eggs? I still have one to go and I'm very much looking forward to eating it tonight when I get home! I've been in school today looking after children from across the school in our reception class. It was nice to see the classroom and I can't wait until we are all together again.

I've tried to keep myself busy over the Easter holidays. I have baked a lot! My favourite at the moment are cheese scones! I have also made little fruit cakes and some butterfly cakes. I have also planted a lot of seeds in the greenhouse. I keep an eye on them every day and little by little I can see a difference. I have been wondering what you have been doing? You can email me if you ask a grown up to help. You could tell me what you have been doing and if you want any other ideas. I have also put another pack together for you all.

Take care of yourself and everyone who is in your house. Remember to keep safe and I look forward to reading your emails.

With Love

Mrs Skirving eskirving@handale.rac.sch.uk

Hello Year 4,

Firstly, I hope you are all well and ok. I hope you have all had a lovely Easter and ate lots of chocolate. I have been busy today setting up your new packs for the summer term, there is lots of exciting and challenging work for you to be getting on with whilst at home. Keep making sure you get your daily exercise in as well as doing work. I hope to see you all very soon and I miss you all a lot.

Mr Farrier
