

Daily Messages 21st April 2020

Hi Year 3

How are you all getting on? Have you tried any of the activities that have been set for Monday and today? Tomorrow, your parents can collect your new home learning packs and they will also be available on the school website. I have put in lots of exciting, challenging and creative activities to keep you learning and I am sure you will continue to work hard on them and produce some brilliant work.

Today, I am writing some of your reports, which makes me miss you all. Once I have finished my work, I will be doing some activities with my daughter that she has been sent from her nursery. We are going to be learning about mini-beasts and making a bug hotel for them. Have you been making anything while you've been at home? I'd love to hear about it if you have.

Keep in touch.

Mrs Porter rsmiley@handale.rac.sch.uk

Good afternoon Year 2,

I hope you enjoyed reading my message yesterday, it was lovely to hear from some of you again. I have prepared all of your packs and they are ready for collection tomorrow (Wednesday). I will also be changing reading books that day too as you know Miss Price always talks about the importance of reading and I want to make sure all the children in the school have new books to read to your parents.

Have you tried some of the tasks we set you to do Monday and Tuesday? Miss Price did – I had a bath and I had an indoor picnic with Truffles last night. Have you thought about keeping a diary of events? One day in the future, the events we are living through now will become history and will be very interesting for people to learn about.

Keep smiling and remember this will all be over soon and we will be back together as normal. Maybe try and write a letter to a friend that you are missing? You could take it to their house and post it.

Take care everyone and enjoy another sunny day ☺

Miss Price xxx

Hi Year 5,

I've spent this morning in school completing your home packs and cracking on with a few tasks around school. Hopefully the weather stays fine so I can cook my lunch on the barbeque this afternoon.

If you're stuck for something to do, try taking part in one of these online lessons: <https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-lessons/1>
You might even get a Spanish lesson from Premier League footballer, Sergio Agüero.

Remember to stay safe,

Mr Bell

Hello Reception Children

It feels so strange not coming back to school after Easter. I'm sitting at my kitchen table writing this email instead of seeing all your lovely smiling faces. However, we must keep ourselves safe and that has to be the most important thing that we all do. So please listen to the grownups and keep yourself busy inside the house as much as possible.

I've been thinking about an extra activity you could do today and I've got a plan. Ask a grownup or big brother or sister (if you have one!) to close their eyes and you go and find a toy of your choice. Hide it, don't let anyone see it. Then describe the toy to your grownup without telling them what it is! Remember you cannot say what it is you must describe it! Have a practice first and then go for it! I'm looking at something on my kitchen wall right now – so I'll describe it and see if you can guess what it is! Here goes – it is a circle shape and it has numbers all the way round in another circle shape. It also has two 'pointers' that move! Any ideas?

With Love

Mrs Skirving xx

eskirving@handale.rac.sch.uk

Good morning!

Hope you are making use of the lovely sunshine today in your garden or yard! I have learnt something new recently - how to make soup! I made some spicy butternut and carrot soup, it was lovely. Have you learnt something new during this time?

Miss Tyson 😊

styson@handale.rac.sch.uk

Hello Year 6

All of your homework packs will be ready to collect from tomorrow so when you collect them have a read through and if there is anything that you don't understand then please get in touch. Also, please continue to update me with what you have been up to and how you are spending your lockdown. (When you are not doing your homework packs of course) I am always interested. What are you looking forward to when the lockdown lifts? What do you miss the most? What will be the first thing you do when you regain your freedom? I hope you are all well and keeping busy the best that you can.

Stay safe

Mr Emmerson

pemmerson@handale.rac.sch.uk

Hello again Year 4,

I hope you're all still enjoying this beautiful weather. Today I have finished my reports and I have enjoyed writing about you all. I would love to hear about your reading challenge Miss Price set over Easter. How many places did you read in and where was the weirdest place you managed to read? I hope to hear from a lot of you, remember my email is rfarrier@handale.rac.sch.uk

Thanks,

Mr Farrier

Hello SLC,

I hope you are all well. At some point this week, you will be receiving your new challenges to have a go at whilst at home and I'm sure you will find them fun and interesting to do. Today I am going to be thinking about all the things i need to be looking out for so that when we return to school we can have some amazing creative lessons. I really do miss you all and can't wait to get back to school and see all of your faces, hear all of your stories and watch you learn. Hopefully we will be able to do this together soon.

Keep Safe at home,

Miss Kendall

ekendall@handale.rac.sch.uk

Hello Nursery Children,

We hope you are keeping yourselves busy. Mrs Lister went into school today to get your next packs ready. While she was away we tried to keep ourselves busy. We started our day with the Joe Wicks workout. It was hard work and we were out of puff when it had finished, so we had a little rest. We then spent our time in Mrs Lister's garden until she returned home.

We hope you are managing to keep yourselves active. Perhaps you could try the Joe Wicks workout one day.

Love from

Morning Floppy and Afternoon Floppy xx clister@handale.rac.sch.uk

Good afternoon Year 1,

I have just arrived home after being in school this morning. It was lovely to be at school and seeing some of the teachers. It made me miss you all so much more though!

I've put together a new pack for you to complete at home and I hope you enjoy doing the tasks. When you've received your packs and you start working on the tasks, send me pictures and messages so that I can see how well you are getting on.

Today was the first time I have driven in over 3 weeks and it felt really strange. I couldn't seem to remember what I had to do at first!! It just goes to show that if you stop doing something, your brain forgets it. Fortunately, I have been driving for many years so I remembered what I had to do, which was a relief!

Make sure you keep practising your reading, spellings, writing and number work every day. I wouldn't want you to forget all that fantastic learning you have done with me.

Love,

Miss Khanam xx
