

Daily Messages 22<sup>nd</sup> April 2020

Hello Nursery Children,

We are sending you a photograph from our daily walk. As part of our daily exercise we go on a walk with Mrs Lister and John. We wait until John finishes work (he works from home) and then we set off. We are very lucky as Mrs Lister lives very close to the seaside so this is where we go on our daily walk. It is nice to see the sea each day. We hope you are managing to go on some walks with your family.

Love from

Hello Year 2,

Hope you are all ok today and feeling excited to start your new homework packs. Remember if there is something you are finding quite challenging then please just send me an email and I will be happy to help. I have spent the day changing reading books and I must say I have thoroughly enjoyed seeing some of you again and it has made me even more excited for us all to return to school when everything is over.

Have a lovely day and make the most of this glorious sunshine that we keep having. Take care and look after yourselves and your family. If anyone fancies just a little chat, ask your parents if you can email me.

Miss you lots, Miss Price [rprice@handale.rac.sch.uk](mailto:rprice@handale.rac.sch.uk)

Hello Year 6

Hopefully a number of you, if not all of you, have collected your homework packs from school and have looked at the content. Please may I remind you, don't struggle. If you are unsure of any of the work within the grids then contact me. I know that the lovely weather we are having is quite a distraction but please don't let this stop your learning. Instead, run it alongside your learning and take your work out into the garden to complete.

I would like to share this resource with you that I have found. It is entitled 'The World of Walliams' and links to all that is David Walliams. Alongside the usual activities on his website, David Walliams is also sharing a number of his own stories with which he is doing all the silly voices. Have a look as I think you will enjoy it.

Take good care all of you.

Hi again Year 4,

I hope you're all ok. I hope you've looked at my challenge from yesterday because I haven't heard from anyone about it. I hope you've all gone to get your packs from school today and are getting busy working. Remember work is very very important during these times and you need to continue with your learning.

Stay safe

Hello Reception Children

Hope you all had a good day yesterday. Did anyone play the 'describing game' with their family? Did you work out what I was looking at in my kitchen? It was my kitchen clock! Well done if you got it right! Maybe you could pop into your kitchen now and have a look around, choose something and then give your family some clues. I wonder if they will be as good at this game as you are! I'm in my living room now and I will give you some clues so you can guess again. Are you ready...? I'm looking at something that is a cylinder shape and at the top of the cylinder is something called a 'wick' – ask a grown up what that is if you do not know! Another clue is I can light it and it smells lovely!

The sun is shining beautiful this morning and I can hear a lot of 'tweeting' from the birds outside my window. It is very quiet in my house today as Mr. Skirving is working in the dining room and the door is shut! I think he wants some peace and quiet! As you know at school we don't get 'peace and quiet' so I am finding it very strange! Have some fun today but please remember to spend a little time doing some counting and phonics. If you can, write a sentence today – you could write down your clues on something that you want to describe to your family. When we get back to school we could try and guess what it was you were looking at! Take care of yourself and make sure you keep safe.

With Love

Hi Year 3

I hope you have all got your home work packs by now and have managed to have a look through them. If there is anything you do not understand, please get in touch with myself or Mrs Brodie and we will help in anyway that we can. I am looking forward to seeing the work that you produce for the activities you have been given. Let me know what you have been getting up to and send me pictures of your work as you complete it.

Mrs Porter [rporter@handale.rac.sch.uk](mailto:rporter@handale.rac.sch.uk)

Good morning Year 1,

How are you? I hope you are well and keeping busy.

It feels a bit colder today. Today I will work on my front garden space. It needs tidying up. Do you have any outdoor spaces? Do you help out with key it tidy? I will plant some bulbs and seeds in my backyard later in the year, to make it look pretty. If you have any seeds or bulbs, maybe you could plant some too.

Keep sending me pictures and messages of what you are doing. The ones I have received so far have been fantastic and they really do make me smile. I love seeing them.

Have a lovely day and take care,

Love

Good afternoon! How are you all today? I hope you are all ready to collect your work packs and are ready to start your independent learning again. We've given you lots of activities to be getting on with remember when you've finished a task you can email it over for me to see.

Miss Tyson 😊

Hello Year 5,

I've been in school today with the children of key workers- I've had an epic game of monopoly with Elise and Owen from Year 6 and made some awesome brick work with Ebony from Year 2. I hope you've all received your home packs by now- remember, it helps to set yourself up with a timetable so you know what you are doing and when you are doing it. Try and stick to it, don't be lazy. Remember, we are not on holiday, this is now time to work and make sure you don't have too much catching up to do when we get back.

In the meantime, say safe,

Mr Bell [lbell@handale.rac.sch.uk](mailto:lbell@handale.rac.sch.uk)

Hello SLC,

Another lovely sunny day today. I have been really busy today cleaning up and cutting the grass outside. I have also been helping Eve my daughter in the kitchen whilst she bakes, she loves baking! Please don't forget to get in touch and let me know what you have been doing, I'd love to hear from you and see all your wonderful faces. You should have your new work packs today from school. Please message me if you're unsure of anything.

Miss Kendall
