

Daily Messages 23<sup>rd</sup> April

Hello Reception Children

Hope you all had a lovely day yesterday in the sunshine and safety of your home. Did you guess what I was looking at in my living room? It was a candle! Maybe you could continue to play the game at least once every day as it is really good to keep your 'brain' in 'tip-top' condition!

If we were in school today we would be talking about 'St George' – as it is St George's Day today. Now some extra homework for you! Can you find out something about St George? Guess what – there is a 'dragon' in the story too! Ask a grownup or older brother or sister, if you have one, to help you take a look on the internet. If you don't have access to the internet ask your grownup about St. George and the Dragon. You could also take a look on [CBeebies: Let's Celebrate - Celebrating St George's Day...](#)

Let me know what you find out if you can and you could make a little booklet with all your drawings and notes. Don't forget to draw St George and the dragon!

With Love

Mrs Skirving xx [eskirving@handale.rac.sch.uk](mailto:eskirving@handale.rac.sch.uk)

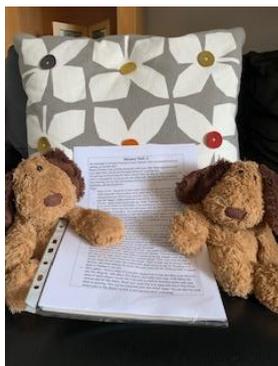

Good morning,

I've been keeping busy with my own learning in this time off and I've been doing lots of exercise classes to keep fit and healthy!

I look forward to finding out what you have been up to. As always, look after yourselves, keep up the hard work but first and foremost keep safe.

Miss Tyson 😊

Hello Nursery Children,

Mrs Lister gave us the new nursery pack today. It has lots of ideas of things to keep us busy and even has paper in for us to use for our drawings. We were really happy to get our new pack as we needed some more ideas to keep us busy. We will post some photos of the things we do from the pack. We hope someone managed to pick up your pack yesterday, so you can be busy too. We would love to see some photos of the things you have been up to. Please send them to Mrs Lister's email address.

Love from

Hello Year 6

As always I hope you are all well, keeping occupied and staying busy. Thank you to those who have been in touch and with any questions with regards your Homework Packs. Let me remind you that it is best to ask to ensure that you are not struggling. Tell me how you all are and what you are up to. I will start with my miserable message because I am laid up with a bad back and when I move it is very slow. I am not getting a lot of sympathy at home so I am willing to accept yours. You are probably all thinking, 'What can we buy Mr Emmerson to cheer him up?' So let me remind you that I am a fan of sweets. I don't want you to go crazy, say £50-£60 worth of sweets per child I believe would be reasonable and then you just need to sort out a courier to get them to my house. I will leave that in your hands. I will make my way to the front door now to wait for them. I will have to crawl because it hurts to walk.

Don't be strangers. Look forward to hearing from you.

Hello Year 2,

I hope you are all keeping well and are staying safe. You have been extremely quiet so far this week and I haven't heard from many of you however it was lovely to see so many mums, dads and grandparents yesterday when I was handing out the packs yesterday. I just want to make sure you are all ok and trying to stay positive. Please continue being good for your parents and please try and complete some work every day as it is important that you are keeping up with your learning. I hope you enjoyed reading the summer newsletter and I look forward to hearing from you and seeing what you have been up to. I have been very busy in school all week and I can't believe it is Friday again tomorrow – these weeks are flying by and I am counting down the days until we are back together.

Hi SLC,

Well today I have been in school and have had a very busy day. Although today is Thursday, it is also St George's Day. Do you know who he is? Maybe you could find out about him and make some crafts like we have in school today. The children have been busy making flags, dragons, knights and have even made England's national flower, the rose. We have also been making dens pretending we were hiding from the dragon; we're definitely not as brave as St George! Maybe you could make a den at home and send me some pictures, I would love to see what you have been making.

Keep Safe, miss you all lots,

Miss Kendall [ekendall@handale.rac.sch.uk](mailto:ekendall@handale.rac.sch.uk)

Good morning Year 1,

How are you? What have you been up to? I hope you are well and staying active. I was so excited yesterday when I received the post. My friend had sent me a beautiful card and inside that card she had put in some sachets of yeast so that I can make bread! How wonderful is that? What a thoughtful friend! The card brought a smile to my face and I can't wait to make some bread at the weekend. Could you send a card to someone and make them smile? It's such a lovely act of kindness and one that we could all be doing. I've got my box of cards out and I will be sending some out this weekend. Today, I have got some work to finish off and then I will go for a walk, followed by yoga and some reading. I'm reading a really exciting book at the moment and I can't wait to find out what happens next! What books are you reading? Are you listening to any audio books?

Let me know how you are and what you're up to. I love getting your messages and pictures.

Take care, Love Miss Khanam x

Hello Year 4,

Hope you're well and getting to grips with your new work packs, remember if you need any help with them, just contact me. I have been super busy painting today and doing some jobs for school. Now I am having a chill before I go for a walk later.

Stay safe

Hello Year 5,

I hope you are all well. I have spent this morning in my garden, making my bushes look a little more presentable with the hedge trimmer.

Remember, if you have any problems with your homework packs, get in touch: [lbell@handale.rac.sch.uk](mailto:lbell@handale.rac.sch.uk). Equally, if you have done something you are proud of, let me know too.

Stay safe,  
Mr Bell

Hi Year 3

Have you all got started on your home learning pack? Which activities have you enjoyed completing so far?

Today I have done a bit of school work, some housework and soon I'm going to go for a bounce on the trampoline with my daughters. Have you been making time in the day to keep active?

Keep in touch.  
Mrs Porter
