Good afternoon everyone

What a busy week back, we have had lots to do in school but what we really want is all our children back, we miss you all but we know that this is the best thing for us all right now. Thank you for all your lovely comments about the video we had fun making it and are so glad you enjoyed it. We have not done a newsletter this week as you have your summer newsletter in your homework pack.

Please remember only to go out with people who live in your house and then only when necessary, that way this may all end sooner.

Take care and stay safe.

Mrs Blakeley.

Hello Year 2,

I can't believe another week is over already, the days are going so fast. Today is Friday so that means Spelling Test!! I hope you all completed your spelling tests and I would love for you to send me your scores. Learning your spellings is very important so that you are prepared for when we come back to school – Year 2 are still at the top of the leader board on spelling shed (you are fantastic).

It was great to hear yesterday that a couple of children have been videoing and calling each other so that they can have a chat and keep in touch; they also created some cool football cards.

I have had a busy day today because Truffles is poorly and I have had to get him some medicine from the vets. I think I have been making him walk too much so he now needs to rest for a couple of weeks.

I hope you all enjoy the weekend, I would like to wish Lexi and Dillan a Happy Birthday as I know you both have birthdays this weekend – make sure you eat lots of cake!

Take care and stay safe, Miss Price xx [rprice@handale.rac.sch.uk](mailto:rprice@handale.rac.sch.uk)

Hello everyone,

Hope you are all ok and keeping safe. What a lovely week it has been with the sun shining. I have been keeping busy with working at home and have found a

new hobby ..... completing jigsaws! Don't forget you can always get in touch with me, send me an email [jtully@handale.rac.sch.uk](mailto:jtully@handale.rac.sch.uk)

I would love to hear from you.

Missing you all lots

Miss Tully xx

Hello children,

Hope you have all managed to pick your packs up safely from school by now. You will find 3 grids (English/Reading, Maths and Topic). I have created these ensuring there are lots of fun things to do whilst you are learning at home. You also have lots of paper and activities in there too not forgetting your weekly spellings (you know whose group you are in for these). Please try to keep yourself busy but also make time to help at home and get your exercise in too. I've been on a nice walk today as well as completing some school tasks. Stay safe and we will get there!

Take care

Miss Kendall xx

Hello Year 6,

How are you all?

There must be a bit of miscommunication here because I have been waiting at my front door for 24 hours now and no sympathy sweets have arrived for my bad back as yet. I assume it takes 24 hours to get them to me so I will go back there now and continue to wait. The lock down has been a nuisance however the weather has been very favourable which we can be grateful for. Hope you

are making the most of your gardens and this lovely weather. Obviously, due to the weekend being after today you will not get the daily messages for a couple of days but I am still here by email to help with any questions you may have. It's no problem so please keep in touch. Have a lovely weekend all of you and stay safe.

Hello Year 5,

Thank you to those children who have completed their weekly spelling test with their parents at home- I've had some scores come back in and I'm very proud of those children. Especially well done to Alfie, who not only scored a full score of 20 but also fully completed an extra 5 challenges that I sent him.

So Year 5, get those scores coming in so I can record them towards your end of year target.

Stay safe,

Mr Bell [lbell@handale.rac.sch.uk](mailto:lbell@handale.rac.sch.uk)

Good morning Year 1,

How are you? I hope you are well and enjoying the lovely weather we've been having. Spring really is in the air. I've seen loads of different birds in the park, including robins, wrens and swifts. I tried to take some pictures of them but I was too slow! I have also seen some squirrels running around in the sunshine. Have you seen any animals when you've been out for a walk? Did you take pictures of them?

Think about some outdoor activities you could do this weekend. Maybe you could make paper aeroplanes and have a competition to see whose aeroplane travels the furthest. A friend of mine posted a video of her sons playing tennis with a balloon. The boys were really enjoying themselves so perhaps you could try it, if you've got balloons. If you have some chalk, could you draw a

hopscotch grid? Could you write numbers outside using chalk? Can you think of other games you could play outside? Let me know the games you come up with.

Please keep sending me pictures and messages. It really does make me feel happy to see how you are getting on.

Have a fabulous weekend and stay safe.

Love

Hello Nursery Children,

We enjoyed watching 'The Big Night In' on the television last night. It was a mixture of Comic Relief and Children In Need. We saw little Pudsey Bears throughout the show. We enjoyed seeing Sooty sing on the 'Way to Amarillo' song but our favourite part was the singing baked potato, it really made us giggle. We stopped watching The Big Night In at 8 o'clock to stand on Mrs Lister's doorstep to clap for all the doctors and nurses who look after us. Lots of Mrs Lister's neighbours were standing on their steps clapping their hands and banging pans as well.

We had some children send us some photographs yesterday to Mrs Lister's email address. It was lovely to hear from them and see their photos as we miss you all so much.

Lots of love

Hi year 4,

Hope you're all ok and still enjoying this glorious weather. It's making life at the minute that little easier. I was pleased yesterday to hear from one family and was glad he is working hard and enjoying family time. I'm cleaning my BBQ ready for the weekend and tidying my garden again. Miss you all, have a great weekend.

Mr Farrier [rfarrier@handale.rac.sch.uk](mailto:rfarrier@handale.rac.sch.uk)

Hello Reception Children

Hope you are all okay and being really 'good' for your family. Have you played the 'guessing' game yet? How did your family do? Did you give really good descriptive clues? If you have been playing the game this means you will be experts by the time we get back together! When we get back to school to play and do our scores – 'Children versus Mrs. Skirving' – I am going to have to try really hard to beat you all! You know I really like to win!

Today why not have a game of 'schools'. Go and collect some soft toys and dolls and sit them up ready to learn. Try helping them to order numbers to 20. It will be hard but I bet you can help them to do it. You could do some spelling with them too. Have a look in your pack as I have put some spellings you could use for them. Have fun being the teacher and don't forget to give a 'Pride Point' out for anyone trying their absolute best. Remember you need to earn a Pride Point you don't get one for nothing!

With Love

Mrs Skirving xx [eskirving@handale.rac.sch.uk](mailto:eskirving@handale.rac.sch.uk)

Good afternoon, I hope you are all okay? Have you done any of your packs yet? I'd love to see. Make sure you are getting out in the sunshine for your exercise.

Miss Tyson [styson@handale.rac.sch.uk](mailto:styson@handale.rac.sch.uk)

Hello Year 3,

I've had a lovely day in school today. We have been busy making cakes, creating some origami patterns and have done lots of gardening. Mrs Skirving and Mrs Lister will be very pleased with their planters! I hope you are all managing to have some fun in the sunshine and of course are enjoying your new work packs,

Have a nice weekend,

Mrs Brodie [nbrodie@handale.rac.sch.uk](mailto:nbrodie@handale.rac.sch.uk)

Hope you are all ok children. Although it's been lovely weather, still stay safe. I have been in the garden and forgot to put cream on and I'm very red. I haven't got any colours so haven't done a rainbow but can see some lovely ones from my house.

Hi Pre-nursery

Hope you are all keeping safe and feeling well. This week has been a strange but exciting week for me. It was my birthday on Monday. I had a lovely mini party with my husband Karl, my son Tom and Gizmo the dog. I had a chocolate birthday cake and some lovely party food. Have you or any of your family had a birthday while we've been away from school? Did you have a birthday cake? If you have I hope you have had fun too, spending time with your family. Take care everyone, missing you all lots Mrs Mallaby x

Hello everyone,

This week has been a very busy one for me, my family and I have been doing work in our back garden. We used big hammers to knock down an old brick building; it was good fun but very tiring! We then all took turns to fill up a wheelbarrow with the bricks and take it to the front of my house. When we had

moved all the bricks a big lorry came to pick it up, it used a big grabber like the ones we have in our sand area. I hope you all having fun outside in this nice weather, see you all soon, Love Miss Alderson X

Hello pre nursery,

It feels such a long time since I last saw your little smiling faces, so long ago since we were building sandcastles, reading stories and singing our favourite songs! I bet you have all grown so much! This week I have been busy doing some work, and spending time with my family. One of my favourite things I did was make Elmer the elephant from a milk bottle -I didn't have any coloured paper so my little girl and I just coloured in some plain paper and stuck it on. It was so easy to do -maybe you could make an Elmer elephant too?

I really hope we see each other soon but for now we still have to stay at home where it is safe.

Miss you all lots

Love from Mrs Dean xx

Hello reception children,

Hope you are all ok and keeping busy. Have you seen the video the teachers have made? I had lots of fun recording my part and waving my flag .I have been keeping myself busy with my uni work and gardening. What have you all been up to? Remember to keep practicing your phonics and have lots of fun sharing stories with your family. I spoke to the teddies and they all say hello and said to tell you they all miss you. Today I am going to keep myself busy by doing some baking with my big girl Marley; we are going to make a chocolate cake. Miss you all lots and can't wait to see you all again.
