Good morning!

It was fantastic to speak to most of you yesterday, you all sounded like you're keeping safe. I loved hearing about what you've been doing to keep busy and how you've been getting on with your home learning. I've woken up to some emails showing me pictures of activities you've done which I love.

I will try and ring those that I didn't get hold of today!

Hello Nursery Children,

Mrs Lister said she talked to some of you on the phone yesterday and it was lovely to hear you all. She is going to try to phone the rest of you today.

We have managed to get outside and do some chalking on the floor today - which was fun. The weather app said that it was going to rain today, so we worried that our pictures would be washed away. Mrs Lister said not to worry we could always draw them again. She said that was the good thing about chalking you can do it over and over.

Love from

Good morning Year 1,

How are you? I'm so happy to have been sent some fabulous pictures to show me how you are and what you're doing. It's wonderful to see you so please keep sending them! I've had a busy few days, doing work and being really active. Today will be a more relaxed day. I've got some clothes that need sewing, so I'm going to work on those. I find that relaxing. Have you ever done sewing before? Many years ago, in Year 1, I taught sewing to the children and they loved it. One child brought his grandad's sewing tin to school to work with. It was brilliant. I would like to do that again.

I hope you are all working on your reading every day. You're all amazing readers and I miss our reciprocal reading sessions. Maybe you could have your own reciprocal reading sessions at home.

Take care and stay safe,

Love

Hello Reception Children

Hope you are all working hard and having some lovely family time with everyone in your house. I received some lovely photographs yesterday of all your hard work. Thank you so much to everyone who sent me the photographs it was such a lovely surprise and made my day.

Today I am going to do some phonic planning so when we get back to school we have lots of fun phonics to look forward to. So today make sure you do phonics homework. Look at the list of spellings that are in your pack. Choose at least ten to have a go at spelling – no cheating! Then choose one or two and make up a sentence to write. Remember say your sentence at least four times or until you know it really well. Also think about the three things you need to write a sentence – capital letter, spaces and full stop.

Take care of yourself and keep safe

With Love

Hello Year 6

I have spoken to a lot of you today which has been lovely. It's good to catch up. I will keep this short because I have spoken to you but just in case I didn't manage to get in touch then send me an email and update me on how things are. It is very pleasing to hear how hard you are working on your packs and I guarantee the work that you put in will pay you back. I will repeat don't struggle and tell you all that I miss you and look forward to the day we are back in the classroom.

Stay very safe all of you.

Mr Emmerson

Hi Year 3

The sun has disappeared and it is a bit colder but I have still managed to get out for my daily exercise this morning. This afternoon, I am going to watch a film with my daughters. Have you watched any good films recently? You could write a review or a letter to a friend to recommend it.

I received some lovely pictures from Elliot yesterday. He has certainly been busy and it sounds like the rest of you have been too. I know I say this every day, but I really do love to see what you have all been achieving at home so please continue to email me.

If I didn't manage to speak to you yesterday, don't worry, I will try again before the end of the week.

Mrs Porter

Hello Year 2,

It has been lovely speaking to some more of you today on the phone and I am pleased to hear what wonderful things you have been doing. I have been very busy at work again today, Mrs Blakeley and I are getting lots of jobs done ready for you all coming back.

All the teachers are busy planning some exciting topics and activities which I know you will all love. We are all missing you all so much and we really can't wait for you to be back in school – it isn't the same without you.

Tonight when I get home, I am going to try and go out for a nice walk. I have been so busy working, I have stopped doing my daily exercise, which is very naughty.

Yesterday, I joined a spelling hive group with Owen, Elise and Brogan, it was so much fun but unfortunately I wasn't a very quick speller and it took me twenty minutes before I could beat them. I didn't realise spelling shed was so much fun, now I know why you all enjoy it so much.

Please keep sending me work, you have all been very quiet today.

Hello Year 5,

I hope this message finds you well. I've had a very chilled out day today- I'm starting to run out of jobs to do around the house and the dog runs and hides when I tell him we're going for yet another walk.

However, I have found a really interesting channel on YouTube that I'm planning to follow: Circle Line Art School. I think I'm going to crack out the old art supplies and get creative- they show you how to draw objects and landscapes from different perspectives, in order to make them look as real as possible. Circle Line Art School- check them out and if you do get creative, email some pictures across of what you've accomplished.

Stay safe,

Mr Bell

Hi Year 4,

Hope you are all ok and keeping safe. Today I have been in school with the children and they have worked hard and played a lot - we even managed to get on to the field to use the howlers. We did some beautiful sketching of the school and made sure we did our daily exercise. I am hoping to hear from some of you about my challenge yesterday. I managed to make 60 words in 6 minutes.

Thanks

Mr Farrier

Hi children,

It was lovely to speak to most of you today and you all sounded very upbeat. It's nice to hear you are having a good go at your work packs as well as chilling out. If I haven't managed to catch you, don't worry I will keep trying.

Don't forget to email me all the nice things you are making, doing and baking!

Keep safe,

Miss Kendall xx
