

Daily Messages Monday 27th April 2020

Hello Year 2,

I absolutely loved your video, it made me smile and cry a little bit. Thank you for doing it for us and say thank you to your parents too. I hope you have all had a lovely weekend and I hope you have made the most of the nice weather. Try and create a little bit of a timetable for yourselves this week and complete bits of Maths, English and Topic every day.

Ella emailed me over the weekend and she is in the process of creating a COVID 19 Time Capsule – I think this is an excellent idea and I can't wait to see it when it is complete.

It has been lovely speaking to some of you today, I didn't manage to get in contact with everyone so I will be trying again tomorrow. I am so pleased with how much you are all working and you are making me very proud.

Enjoy your day and keep smiling all of you. I miss you all and your beautiful smiles.

Hi Year 3

I hope you all had an enjoyable weekend and managed to get out in the lovely sunshine.

I have just watched the video some of you helped to create and it is amazing. It makes me miss you all even more.

Today, I have been for a long walk and then been doing some jobs for school, making sure everything is ready for when we can all be together again. What have you been doing? Have you been completing your home learning? I'd love to hear about what you have completed so far.

Keep in touch.

Hello Nursery Children,

Mrs Lister has gone into school today so we have found ways to keep ourselves busy. We have been lucky as the weather has stayed fine so we managed to get in the garden. We took an old roll of wallpaper with us and some crayons and we started drawing. We drew pictures all over the back of the wallpaper it was lots of fun. Once we had filled one area with pictures we just rolled out a bit more and started drawing again. If you have an old roll of wallpaper at home perhaps you could try it.

We miss you all so much,

Love from

Hello Year 5,

It was lovely to speak to some of you this morning. I enjoyed hearing about how well you've been doing when working on both your home packs and other challenges that you have set yourself. If I haven't managed to catch you yet, I'll try again over the next few days.

Stay safe,

Mr Bell lbell@handale.rac.sch.uk

Hello Reception Children

Hope you all had a good weekend? Actually the weekend is no different to the rest of the week really! I do shopping on a weekend so this is my different part of the day. I wonder what you do that's different.

I've had a super start to my Monday morning today as I watched the video of all you fantastic children! It was amazing to see so many of you with your messages and pictures. I'm glad to see you are all keeping safe and only going outside for a short time with your family. You really cheered me up so I would like to say a massive thank you to everyone who took part.

Have a good day today – don't forget to get back into doing some school work so you keep as up to date as possible. Hope to see you all soon – think I will go and watch the video again!

With Love

Mrs Skirving xx eskirving@handale.rac.sch.uk

Good morning year 3, I hope you are all safe and well! I'm still trying to get some exercise done in the lovely sunshine. I saw some of your smiling faces and lovely drawings in the video that was made - it was fantastic, well done!

Have you made a start on your learning packs? I've been doing some learning of my own too.

Stay safe

Hi Year 4,

It's been lovely speaking to most of you today and if I haven't spoken to you yet don't worry I will be in touch this week. I have been in school for a little bit today making phone calls and I even took Truffles into school with me. I hope you all continue to work hard at home and make sure you have plenty of fun with your family.

Hi children,

Today I have been busy cleaning my house and doing lots of jobs for school and planning lessons ready for when we go back. Have you managed to get some work done today? I really really would love to see some of the things you have been doing, so don't be strangers, send me a message or a photo or even both! I hope to see you all very soon.

Stay safe,

Miss Kendall xx

Good morning Year 1,

I hope you are well and enjoying the lovely sunshine.

I, and all the teachers, had a wonderful surprise this morning, when Mrs Blakeley sent us a video that you had made! It was fantastic to see so many of you gorgeous children. The video was brilliant. I miss you all too and I'm hoping that I get to spend more time with you soon. It was lovely to see all the different activities you've been doing. I'm glad that you've been busy and active. Last week, I walked over 35 miles, which I'm really pleased with. The weather was glorious, which helped! I have a few jobs to do today and one of them is to clean and tidy the house! I haven't been very tidy this weekend so I need to sort my house out. Are you helping around the house? What jobs are you doing? Are helping to put your laundry away? Are you helping with the washing up? Let me know what jobs you do around the house. It's good to be helpful around the home.

Take care, my gorgeous class, and stay safe.

Love, Miss Khanam xx rprice@handale.rac.sch.uk

Hello Year 6

I hope that you have all had a lovely weekend and that you are refreshed and ready for your new week.

I am in school today and I have spoken to Owen, Elise and Mary which is great. I have seen some nice progress with your homework grids. So well done.

On Wednesday, I am going to give you all a call in the morning to see how you are, how you are getting on with your packs and how you are bearing up during this lockdown. Thank you to you all for getting in touch and I have seen some lovely work from Jessica that made me very proud.

Keep working hard and doing your best all of you. Take good care and stay safe.

Mr Emmerson
