

Daily Messages Thursday 30th April 2020

Good morning Year 1,

How are you? How are you getting on with your packs? I hope you are enjoying making models of spaceships and aliens. Maybe you've had a try at making planets with papier mache? I would love to see your work. You could act out the planets using different sized balls 🎱 🎲, moving them around as if they were in space.

I made some cupcakes yesterday. They were ok so I was pleased with them. Baking is not my strength, but I keep trying and I do think I'm getting better at it. Practise makes perfect 😊.

What have you been practising? Have you been practising your spellings every day? Are you having tests on a Friday to see how many you have learnt? I was always impressed with how well you did in your spelling tests at school so I hope you are keeping it up!

Are you reading everyday too? I'm in the middle of another really exciting book. I can't wait to find out what happens. This one is set in a little town in America. I love reading about places that I've never been to. Stories can take you to places you wouldn't normally go to. They can even take you into space!

I look forward to seeing your pictures so please keep sending them to me.

Take care, stay safe and keep active.

Love, Miss Khanam xx rkhanam@handale.rac.sch.uk

Hi Year 3

Today I have been in school and it has made me miss you all so much. I can't wait until we can all be in school together again...whenever that may be.

I have heard from a couple of you over email this week but I would love to hear from more of you. If there is anything you need help with or explaining from your home learning packs, please don't struggle; get in touch.

Mrs Porter

rporter@handale.rac.sch.uk

Good morning,

I hope you are all okay and working hard on your packs. The weather has not been very sunny the past few days, I hope the sun starts to shine again because it instantly makes everyone happier. ☀

Work hard and be kind to everyone in your household.

Miss Tyson styson@handale.rac.sch.uk

Hello Reception Children

Hope you are all well and keeping yourselves busy. What have you been doing to fill your day? How many different activities do you do each day? If you want to email me and let me know that would be lovely and you could also send me some photographs.

How did you get on with your spelling and sentence writing yesterday? Don't worry if you found it a little tricky just keep going, keep trying your best and guess what – you will be really proud of yourself when you write your sentence without needing any help. Remember if we were all at school you would be doing this every day without fail. So keep going, keep trying your best and be proud of what you do.

Take care of yourself and keep safe

With Love

Mrs Skirving xx eskirving@handale.rac.sch.uk

Hi Year 4,

I hope you are all still working hard. I've heard from one person about my recent challenge and this person managed an incredible 242 words from the words 'Handale Primary School'. Ava Mirow, what a wonderful effort, you are a superstar! Well done to your mum too, I think she appeared to have enjoyed the challenge just as much as you.

I have been to school today to work on our PE curriculum, I know how much you all enjoy PE so I want to make sure it is great for when you return.

Stay safe,

Mr Farrier rfarrier@handale.rac.sch.uk

Hello Nursery Children,

Mrs Lister said she has now phoned all the children in nursery. She has really enjoyed talking to you all, as she misses you so much. There are just a few children who she hasn't managed to speak to so she has left you a message on the answerphone and will try again soon.

The weather has not been too good today so we decided to find something to do indoors. Mrs Lister has Disney + at the moment so we decided to watch a film. We didn't know which film to choose so Mrs Lister said that we should watch one of her favourite films Mulan. We really enjoyed it, we especially liked the dragon Mushu he was so funny.

Love from

Morning Floppy and Afternoon Floppy xx clister@handale.rac.sch.uk

Hello children,

So today the sun is shining again which means one thing, cleaning, washing and windows open. I have done all my house jobs today and then focussed my attention to school work. We will have so many nice things to do when we return to school, I really can't wait! Hope you're all excited too. Thankyou Ethan for the lovely pictures of your walk with Misty, what a lucky thing to be pushed around on a nice walk. Don't forget to keep sending me all your lovely pictures and emails children.

Stay safe,

Miss Kendall X

ekendall@handale.rac.sch.uk

Hello Year 2,

I hope you have all had a lovely day, I have been busy today working on some exciting planning and activities for when we return to school. I am really missing the sunshine, I hope it returns for us all next week so we can go back to spending time in our gardens. If the sun is shining, it makes us all feel much happier.

It was lovely to hear from William and Luke yesterday who have been working on different activities and it gave me a few ideas for you to do. Remember you don't need to just complete the work in your pack, you can use your amazing imaginations just like you do in our learning room. William has been writing instructions for baking a cake (I wish I could taste some) and Luke has been creating some football cards and books – these are great ideas.

I know lots of you love Fortnite and Minecraft so why don't you create your own game, or create your own character to play in the game? I hope you aren't all spending too much time on your playstations and tablets. Make sure you get lots of fresh air too – remember the health and fitness lessons we did after Christmas.

I would love to see some of the things you decide to create. Keep in touch, Miss Price xx

rprice@handale.rac.sch.uk

Hello Year 5,

After spending the morning working with school work on my laptop, I'm taking the opportunity this afternoon to pack my dog Kaiser into the car and take a nice long walk over the moors, in the middle of nowhere. I've packed a couple of sandwiches and a flask of coffee, as well as treats for the dog, and I'm looking forward to having an explore of the wilderness.

Here's hoping the weather stays nice.

Stay safe,

Mr Bell lbell@handale.rac.sch.uk

Hello Year 6

Hopefully you are all okay. I asked everyone I spoke to yesterday if it was possible to have 2 photos of yourselves, one from when you were a baby and a more recent one. Thank you very much to all of yourselves and your parents who have forwarded me these photos, they are much appreciated. We are hoping to get things sorted for your end of Year 6 and Primary School celebrations and these will help a great deal.

Also, if anybody hasn't as yet contacted the office to order your End of Year 6 Hoodies and you are wanting one, then please contact the office and put your order in as soon as possible so the order can be sent. They are a lovely memento of your time at Handale and being the class of 2020 just makes them a little bit cooler.

Has anybody any questions about your up and coming transition to Freebrough or any concerns which you would like to discuss? If so, then please drop me an email and I will try my best to find you the answers and at the least I may be able to put your mind at rest. You are a wonderful year group and I would like you to be as prepared as possible to ensure that Freebrough know that.

Take care all of you.

Mr Emmerson pemmerson@handale.rac.sch.uk
