

Daily Messages 4<sup>th</sup> May 2020

Hello Nursery Children,

Did you guess what was inside the 'sounds box' - it was a sheep. Well done to those who guessed correctly.

Mrs Lister has been doing a jigsaw this weekend to keep herself busy so she said she would try to find one for us to do. She found us a lovely Winnie the Pooh jigsaw to do. We did enjoy doing it. Mrs Lister showed us how to do the outside edge first to make the jigsaw easier. Perhaps you could try doing a jigsaw if you have one at home.

It's Hollies birthday today - Happy Birthday Hollie from all your friends in Nursery.

Love from

Morning Floppy and Afternoon Floppy xx

Good morning,

This morning I have completed a home workout to get me ready for the day. I started a 1000 piece puzzle at the weekend (this will be my 3rd since we have been away from school) it keeps me busy! Later, I am going to follow a recipe and make a 'Turkey Parmigiana' for my dinner. Have you tried following a recipe or helped your grown up make something? Remember you can email me if you want to share anything.

Miss Tyson

Hello Year 2,

I hope you have all had a lovely weekend. I really enjoyed mine after a busy week at work, we went for a lovely bike ride on Saturday in the sunshine and I had lots of fun. Yesterday, we ordered fish and chips for tea and it was nice to enjoy something different and I didn't have to cook!

I am back at work today for another busy week, I am going to be very prepared for when you all return.

It was nice to hear from Jack on Friday, he has been working really hard on the reading comprehensions. Remember, reading is very important and you should be doing it every day at home.

Set yourself a timetable for the week and try to achieve your targets. It is very important that you keep working hard so you are ready for school when we return. If you need any help with anything, please send me an email and keep sending me your fantastic work as I thoroughly enjoy seeing what you have been up to.

Stay safe, miss you all, Miss Price xx

Good morning Year 1,

I hope you are well and you've had a lovely weekend. I've been out for a long walk and a run this weekend, thankfully before the thunder and lightning of yesterday! Did you have thunder and lightning? It was amazing, especially when it lit up the sky. What have you been doing to keep busy this weekend? Have you been relaxing and having some calm time?

I've just finished another book. I can't decide what to read next, there are so many choices! I've just had a look on Stockton libraries website. Even though the libraries are closed, they are offering lots of different activities on their website for children and adults to engage in. Have a look at Redcar and Cleveland libraries website to see what they have to offer too. Keep sending me your pictures and messages.

Take care, stay safe and keep active,

Love, Miss Khanam xx [rkhanam@handale.rac.sch.uk](mailto:rkhanam@handale.rac.sch.uk)

Hello Reception Children

Here we are at the beginning of another week in lockdown! I'm really hopeful that we will get some good news this week and we can, fingers crossed, prepare to come back together again.

I had a very busy weekend in the garden. I have planted lots of vegetables and made sure all my baskets and tubs are ready for the flowers to go into them. Mr. Skirving said we really need to paint the fence in the garden first before we hang baskets on it! So can you guess what I am going to be doing over the 'Bank Holiday' weekend! Yes painting the fence and then finally making the baskets and tubs look lovely with lots of flowers!

I wonder what you got up to over the weekend. Maybe you could draw me a picture and send it to me by email. That way I will be able to see what everyone has been doing. Don't forget to do some phonics work today and make sure you write a sentence too. Also order your numbers and then play a little game – ask someone in your house to 'mix up' some of the numbers. Now you impress them by putting the numbers back in the right order.

Take care of yourself and keep safe

With Love Mrs Skirving xx

Hi children,

Well another week begins, another week missing you all. I hope you have all had a nice weekend with your families at home and had a break from doing your homework packs! Today I'm having a day in the kitchen. I'm going to make some cakes (probably not as good as Eve's) and a pie for tea. Have you been baking anything at home? I'd love to see some pictures if you have. Don't forget to email me and keep in touch.

Hopefully see you all soon,

Miss Kendall x

Hello Year 3,

I hope you have all had an enjoyable weekend and are ready for another week of home learning.

What have you achieved at home today? Is there anything you have done that you are really proud of? I haven't received many emails since we came back from Easter. I really do love to see what you have been doing so do get in touch.

Today, I have completed some work for school, played with my daughters and I am going to try a new recipe out for tea. Have you tried any new recipes while you have been at home? I'd love to hear about what you made.

Keep working hard.

Mrs Porter

[rporter@handale.rac.sch.uk](mailto:rporter@handale.rac.sch.uk)

Hello Year 4,

I hope you are all ok. This morning I've been working on my laptop and now I am sat waiting for the delivery of my new phone. When Miss Price gets home from work, we are going to take our dog for a walk because I need my daily exercise and some fresh air. I hope you have had a lovely weekend and have started the week working hard.

Remember if you need support or help with anything, just send me an email and I will be happy to help.

Hope to see you all soon.

Mr Farrier

[rfarrier@handale.rac.sch.uk](mailto:rfarrier@handale.rac.sch.uk)

Hello Year 6

I hope that you have all had a nice weekend and that you are all well.

You only have a 4 day week this week so you get Friday off! On Friday it is a Bank Holiday which has been moved this year to celebrate the 75th anniversary of VE Day (Victory in Europe Day). This day marks the day towards the end of World War Two (WW2) when fighting against Nazi Germany in Europe came to an end. On the 8th May 1945, Prime Minister Winston Churchill made an announcement on the radio at 3pm that the war in Europe had come to an end, following Germany's surrender the day before.

Use this day to celebrate this amazing victory and look up on-line for numerous resources that you can use (for examples flags and bunting which you can decorate) to celebrate the day. You could also design and create your own.

Also Year 6, I would like to direct you towards a website called 'Pobble 365', which provides a daily picture to direct and inspire you to write. You can also access previous days pictures if the day's image doesn't appeal to you. Underneath the picture you will also find: Story Starters, Questions and Sentence Challenges to further guide and move your writing forward. This is a great resource and as promised I will continue to provide resources such as these to inspire your creativity and academic progress.

Have a look and see what you think. Feedback to me.

Continue to take very good care of yourselves and your families everyone.

Mr Emmerson

[pemmerson@handale.rac.sch.uk](mailto:pemmerson@handale.rac.sch.uk)

Hello Year 5,

I'm in school today with the children of key workers- we've worked hard and played hard too. We've been working on some art using different perspectives (which is something I'll be working on with you when you return).

Mary and Elise built me a throne (because I'm the king of the classroom) but it was a battle to get them to let me sit on it.

Stay safe,

Mr Bell
