

Daily Messages 5th May 2020

Hello Year 6

I hope that you are all well.

Yesterday I mentioned Friday being VE Day and to consider some resources to celebrate the day. I have a website that you could use with some great resources and ideas. If you go to <https://www.madeinashford.com> you will see them. Great resources for all the family.

Again, I am going to encourage you to go to Pobble 365 to develop some writing ideas and when you have done that I would love for you to share with me some of the ideas that you have for a story. Whether you use the image for inspiration or not, I would love you to write me a story. It can be about absolutely anything. The way to become a writer is to write, as simple as that may seem. Write me your story about ABSOLUTELY ANYTHING you want. I don't want you to consider grammar or punctuation, I just want you to write. Limit your story to about 500 words, which isn't as much as you would think, and just write! Write for me, write me a story and make it something I would enjoy. Comedy, mystery, action, adventure, traditional / fairy tale, suspense...I don't mind just write! If you don't feel that fiction is your strength then write me an article of your choosing about anything that you want. I don't mind, I just want to read your work. Teach me! Write me an article about something I wouldn't know anything about to help me learn. Then whichever option you choose, e-mail me it in whichever way you see fit. Type it up, photograph and send me it...anyway is fine with me just get it to me and entertain me. You would be helping both of us so please let me see your work.

Looking forward to seeing you all soon,

Mr Emmerson pemmerson@handale.rac.sch.uk

Morning, are you all okay today? After speaking to the majority of you last week, it sounds like you've all be on some adventures outside! They sounded fantastic, have you found anything interesting on your walks? I'd love to know. Keep working hard on your work packs.

Miss Tyson styson@handale.rac.sch.uk

Hello Year 5,

I type this as I'm standing in the queue to get into Wilko's in Redcar. Since the weather was supposed to be slightly dull this week, I thought I'd paint the doors in the house. However the sun is blazing now.

I took my dog Kaiser over the cliffs to the fan house this morning- have any of you ever been there?

Let me know what fun activities you've been up to recently.

Stay safe,

Mr Bell lbell@handale.rac.sch.uk

Hello Reception Children

Hope you had a good day yesterday and did some good phonics and number work. I've had some lovely messages from children and I can see some fantastic work going on. You are all making me so proud and happy and I am sure we are still 'The Best Class in the School!' I'll double check with Mrs. Blakeley and I'm sure she will agree with me.

Last night I decided to go and water all the vegetables that I have planted. Oh my goodness it takes a long time! I didn't realise that I had so many! It took me a long time but as you know the plants all need to be watered in order to thrive. I'm still taking extra care of the flowers and hopefully they will be strong enough to be planted outside by the weekend.

Take care of yourself and keep safe

With Love

Mrs Skirving xx eskirving@handale.rac.sch.uk

Hi Year 3

I have had a busy morning working from home and looking after my daughters. They have been doing some painting. Have you had a go at the painting activity from your topic home learning grid yet? I'd love to see if you have.

Yesterday, I received some more pictures from Elliot- he has been helping to cook tea as well as many other activities. I also received an email from Jelena. She has been keeping very busy and it was lovely to see pictures of her work.

Keep in touch.

Mrs Porter rporter@handale.rac.sch.uk

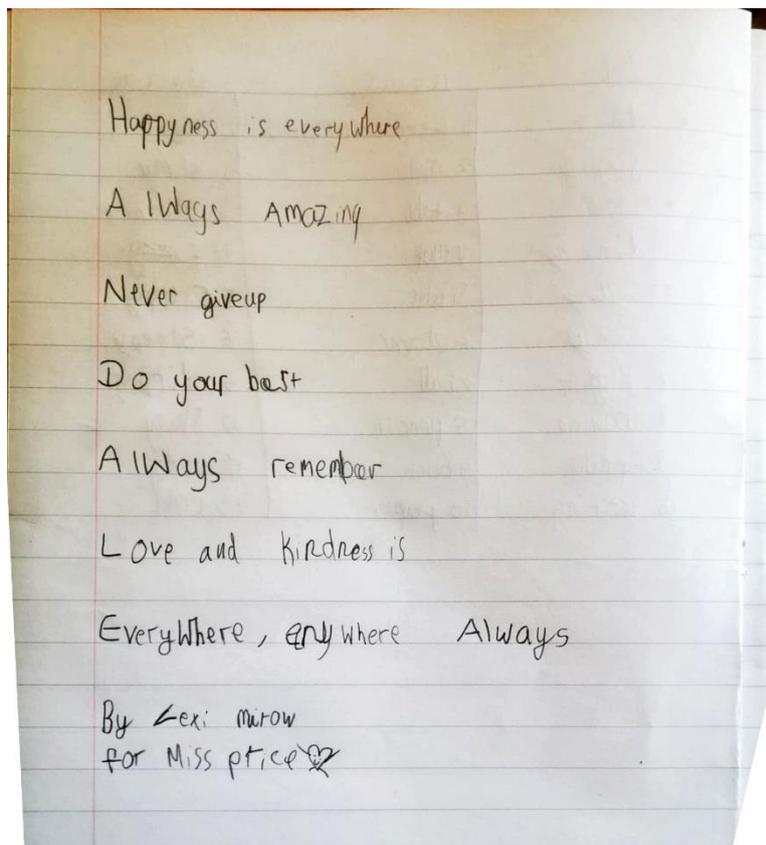

Hello Year 2,

I hope you have had a lovely day and the sunshine is back with us, which is excellent. What things have you been up to? I think I am going to go for another bike ride tonight, I am starting to quite enjoy exercise – I hope you are all remembering to exercise! We are going to paint the shed in the garden this week, I did think pink would be a lovely colour... but we have decided to go for a light blue colour. I am really looking forward to Friday so I can have a long weekend at home.

I heard from Lexi this morning and she has created a beautiful poem and it is very thoughtful, it made me realise how much I miss you all! Have a read of it and see if you could create some poetry yourself. We will soon be back together and I will be annoying you all telling you to remember your tall letters, capital letters and full stops!!

Miss you all, keep safe,

Miss Price xx

Hello Nursery Children,

Today we have had the story of Goldilocks and the 3 Bears from our pack. Afterwards we had a chat about whether Goldilocks should have gone into the house and how Baby Bear felt when his porridge was gone and his chair was broken! If you haven't read the story yet perhaps you could read it today and see what you think.

Mrs Lister is really pleased to be getting emails from some children. She asked us to thank you and to say if any other children would like to send an email that would be great.

Love from

Morning Floppy and Afternoon Floppy xx clister@handale.rac.sch.uk

Hi children,

How are you all today? Hope you all still smiling. Today I have been for a lovely walk with my children and chilled out for a bit when I got back. This afternoon I did some jobs for school; a very busy day! What have you been up to today? Please message and let me know.

Miss Kendall x ekendall@handale.rac.sch.uk

Hi Year 4,

Hope you are all ok and staying safe. Continue working hard because it will help in the long run. Today I travelled to B&Q to pick up some paint and other gardening products, it was nice to go to a shop and it made me feel like things were a little bit normal again.

I am in work this afternoon doing some jobs, it is good to keep busy otherwise the days seem to go on for longer.

Mr Farrier rfarrier@handale.rac.sch.uk

Good morning Year 1,

How are you? I hope you are well. How have you been getting on with your packs? Are you doing something from the grids every day?

Try and do one maths, one English and one topic each day.

The topic could be something to do with the current news. Friday will be a Bank Holiday in order to celebrate the 75th anniversary of VE day.

Research what VE Day is, then look at ways in which you could celebrate it. Will you make bunting to put outside your house? What will you do as a community? Will you and your neighbours have a street party (from a safe distance)?

Let me know what you find out, what you do and what your plans are. I look forward to seeing your messages.

Take care, stay safe and keep active.

Love

Miss Khanam xx
