

Daily Messages 6th May 2020

Hi Year 3

How are you all doing?

Today is my daughters 3rd Birthday so I am busy making sure she has the best day she can. Have any of you had birthdays during lockdown? If you have, I hope you managed to have a fantastic time at home with your family.

Ida got a new bike and scooter for her birthday so we will be making the most of our daily exercise today to test them out. Have you managed to get out in the sunshine today?

Mrs Porter x

Hello Year 4,

Hope you are all keeping well and safe. I really hope you aren't enjoying the time off school too much because remember we are going to be coming back at some point so you need to make sure you are keeping up with some learning. Only two more days of working hard and then you can enjoy a long weekend. I have been busy in the garden today, I decided to take all the patio up and lay it all again. I have also completed some work and had a good look at the work you have sent me so far.

Have you managed to go on Pobble 365 yet to complete the daily activities? Miss Price and Mr Emmerson have previously mentioned it, I had a look the other day and it is great resource. It has some excellent questions related to a daily image, it really will get your brains working.

Stay safe,

Mr Farrier

rfarrier@handale.rac.sch.uk

Hello again Year 2,

I hope you are taking time to read my daily messages, it really makes being apart a little bit easier and I thoroughly enjoy hearing from you to find out what you have been up to.

What else have you been doing which has excited you or made your day a little bit easier? It might be baking cakes or having a walk on the beach or you might have done something really fun in the garden with your family.

I would love to hear all about it! For those of you who have been keeping a diary, this is an excellent idea because when we come back to school, I can't wait to hear what you have been doing. I wonder how many hours you have spent on your Xbox or PlayStation? I bet some of you are experts on your games now!

What are you looking forward to doing the most when lockdown is over? I am looking forward to seeing my family and friends and I really can't wait to teach you all again. Fingers crossed, we know a little bit more on Sunday!

Take care and keep smiling,

Miss Price xxx

Hello Reception Children

As I'm writing this message the sun is shining brightly and it looks really gorgeous outside. I switched the television off and listened very carefully. I can hear birds tweeting and in the distance a dog is barking! It is lovely to stop and take time to hear the birds. Why don't you do the same this morning? Let me know what you can hear and maybe you can hear birds too. It would be lovely if you could write a sentence about what you can hear. You could start it – 'Today I can hear....' Don't forget you need a capital letter, finger spaces and when you finish, a full stop.

Have a good day and thank you so much for all your lovely messages. You are really keeping me going every day as I look forward to hearing from you all so much.

Take care of yourself and keep safe

With Love

Mrs Skirving xx eskiriving@handale.rac.sch.uk

Hi children

Today I am making some more cakes with Eve for our own little VE day on Friday. Have you got any plans with your family? I'm going to enjoy the sunshine in the garden this afternoon whilst giving it a little tidy up. I hope you are all keeping safe and carrying on doing your work packs. Don't forget to keep in touch.

Keep safe,

Miss Kendall

ekendall@handale.rac.sch.uk

Hello Year 6

Another nice day. I hope you are all well and happy.

I have a few more English ideas to keep you going in this department.

<https://www.youngwriters.co.uk/> This website has some great ideas for writers, plus it has competitions for you to enter. Test and establish yourself as a great writer. It also provides you with tips and strategies. It has KS2 specific competitions aimed your age group so you can compete against others of your age. It also has links to poetry if that is more your bag. And on poetry why not try <https://www.writersrelief.com> which provides a list of prompts and is great for the budding poets out there. Hopefully it will provide you with some inspiration for something you would like to write about. Also the Poetry Society <https://poetrysociety.org.uk> has some great ideas for children's poetry and again the chance to enter competitions. Although this may be a bit more difficult The Writers Digest <https://writersdigest.com> has some great ideas for different styles of poems including a 'blackout poem' which I felt was interesting. I also found something called 'Fridge Poetry' and you can buy a kit off Amazon which is a kit made up of 400 magnetic words (there are 3 different packs) which you could use to set your family challenges. Encourage them to write a poem about what's going on in the world at the minute - this is undoubtedly going to be a time in history that people remember, so let's get those thoughts on that fridge. Take a photo. Share it!

Take really good care all of you. Please be safe.

Mr Emmerson

pemmerson@handale.rac.sch.uk

Good morning Year 1!

How are you? I hope you are well and keeping active.

The sun is shining today, the birds are singing and it's a perfect excuse to spend as much time outdoors as possible. What activities could you do outdoors? I'll be going on my daily walk a little later in the day.

Keep working on your tasks. Don't forget that those tasks are just to give you an idea of things you could do. You're more than welcome to adapt them to suit the resources and equipment you have. You can also make up your own tasks. Look on websites like Pinterest for ideas. Make your learning fun and enjoyable

♥♥. What do you want to learn about? Make it personal.

Until tomorrow, stay safe, take care and enjoy the sunshine ☀.

Love,

Miss Khanam xx

rkhanam@handale.rac.sch.uk

Hello Nursery Children,

After reading the Goldilocks and the 3 Bears story from our pack yesterday we decided to find bowls and spoons for the 3 Bears. We matched the the right sized spoon to the right sized bowl. We then decided which would be the best one for Daddy Bear, Mammy Bear and Baby Bear. We then looked around Mrs Lister's house for large things and small things. Perhaps you could look around your house and decide which things are big and which things are little.

We are missing you so much and hope to see you soon.

Love from

Morning Floppy and Afternoon Floppy xx

clister@handale.rac.sch.uk

Good afternoon. How are you all today? I love it when the weather is like this, it makes me feel much more positive! What have you been up to? Remember to keep chipping away at your work packs. I'm sure you've found out some interesting facts on our new topic - I'd love to know.

Miss Tyson

styson@handale.rac.sch.uk

Hello Year 5,

I've spent this morning working hard on my laptop, getting some exciting work ready for your return to school.

I'm having a hard time choosing my pupil of the week award for this week as I've only heard from Alfie; he sent me a wonderful story about an exciting but dangerous journey to Mars. Does anyone else want to challenge him and make an attempt to win this week's certificate?

Stay safe,

Mr Bell
