

Daily Messages Monday 11th May 2020

Hello Year 1 and Year 2,

I hope you have all had a lovely long weekend, did you celebrate VE day on Friday? I would love you to send me some pictures so I can see what you all got up to over the weekend. It was nice for me to have a weekend at home, I enjoyed relaxing in the garden and managed to get an ice cream from a takeaway place in Whitby (I really enjoyed that).

I would love you all to send me the work you have been completing. I look forward to finding out what you have all been up to in Year 1, I have seen some of your work and it looks excellent. What makes me even happier is that you always have big smiles on your face.

Year 1 parents, feel free to contact me at any time on my email if you have any questions of if your children would like to show me the work they have completed.

Remember children, I am so proud of you all and I think you are doing superbly through these crazy times.

Take care and I look forward to hearing from you all!

Miss Price x

Hi Year 3

Well I can't believe it is Monday again already. Did you all have a nice weekend? Last night, the Prime Minister addressed the nation to let us all know the plan for the coming months. However, things are still a bit unclear so I'm hoping we get more information over the coming days.

How are you all getting on with your home learning? Are you making sure that you do some each day so that you'll be ready for when we are told you can return to school. This week, I'd love to hear from those of you who haven't emailed me yet.

Mrs Porter x rporter@handale.rac.sch.uk

Hello Nursery Children,

We hope you have had a good weekend. On Friday it was VE Day and we had a lovely time with Mrs Lister and John. We coloured in some Union Jacks to make some bunting to put up in Mrs Lister's house. Once we had decorated the house a little bit, we had a little party. We played games and had lots of lovely things to eat.

It was a bit of a shame we couldn't see the rest of Mrs Lister's family but we know we need to stay safe.

Love from

Morning Floppy and Afternoon Floppy xx

clister@handale.rac.sch.uk

Hi children,

I hope you are all still managing to find time to complete your work packs and are learning your spellings each week. I know this might seem like a boring chore, but it will help you so much when we return to school so please make sure you are trying your hardest. Wow, the weather has certainly changed today hasn't it? What have you all been up to? I would love to hear from you and see some pictures of all the wonderful things you have been doing. Today I am doing lots of work at home in preparation for us returning to school whenever that may be, it seems so long since I have been able to teach you in class, I miss you all very much!

Keep safe and smiling,

Miss Kendall

ekendall@handale.rac.sch.uk

Hello Year 6

I hope that you have enjoyed your holiday weekend. Did any of you have a street party over the weekend to celebrate VE Day? I have sent you a message separate to this because today is the day you would have begun your SATs! I will leave that message to speak for itself and just reiterate that I don't need a SATs paper to tell me how wonderful you are. Maybe I will be seeing you all on 1st June! For me that is something to look forward to however as we are all aware these things are not set in stone as yet so we will wait and see. I keep my fingers crossed. Keep in touch everyone. Thinking about you today on this significant day that would have been.

Take care and stay safe.

Mr Emmerson

pemmerson@handale.rac.sch.uk

Hello Year 5,

I hope you all enjoyed the long weekend. I certainly did, especially as the good weather meant that I was able to spend plenty of time outdoors.

Friday was fun celebrating VE day- my neighbours decorated the street with bunting and everyone brought their tables, chairs and barbeques into their front gardens. Someone played music from the era and we all got into the spirit of the day.

Let me know what fun things you got up to over the weekend.

Stay safe,

Mr Bell

Hello Reception Children

It seems like such a long time since the last time I had a chat with you all! Did you do anything different on Bank Holiday Friday? If you did draw me a picture and write and tell me what you did over the weekend. I would love to see them when we return back to school. Maybe we need to start a book with all our pictures and writing – maybe we could have the title ‘Lockdown in Reception’ – what do you think?

Today you really need to get back to doing your school work. Begin with some counting and maybe ordering numbers. Take a look in your pack and see if you can find something that you can do. If you want you could make up some ‘problems’ for your friends to do when we get back together. Make sure you have a ‘snack’ break and then do some phonics. Go over all Phase 2/3 phonemes and read tricky words. You could then pick a couple of Phase 3 phonemes and see what words you can spell using them. Then why not write a ‘silly sentence’ for everyone to read! I really miss your silly sentences as we would all have a good laugh at just how silly we could make them!

Take care of yourself and keep safe

With Love

Mrs Skirving xx eskirving@handale.rac.sch.uk

Hi Year 4,

I hope you all had a lovely weekend. If you had a social distancing VE Day street party, I hope it was very fun. My street didn’t have one because there isn’t many people on our street and they’re boring. I’ve spent my day in school today doing lots of jobs. It’s been weird sat in my classroom without you lot being noisy, I miss you all very much.

My challenge for the week is for you to get creative. I would like you to either bake a cake, make a bird house or build something of your own choice. Spend time with your family and make something you will remember when you look back at your time in lockdown.

See you all soon,

Mr Farrier
