

Daily Messages Thursday 21st May

Hello Nursery Children,

Hope you enjoyed the lovely sunny weather yesterday. We certainly did we spent our time in Mrs Lister's garden.

Today we worked together to build a marble run. We needed to join together all the little pieces and make a track for the marbles to travel down. Once our marble run was complete we took turns climbing up to the top of the track to release the marbles. It was great fun watching them travel down the marble run!

We are missing you all very much.

Love from

Morning Floppy and Afternoon Floppy xx

Hi Year 3,

I hope you are all having a lovely week so far. The weather has been lovely for the last couple of days so I hope you are enjoying the sunshine. I know Elliott was making the most of the sunshine and was doing some of his work outside, I wonder if any more of you are doing your work packs in the sun. It would be great to see even more pictures of you all and the work you have been doing. I was in school earlier in the week sorting the science cupboard and have been preparing for when you all return to school. Have you been enjoying the science activities in you packs? Do you remember our sound science topic from earlier in the year? When I was clapping for the NHS last week, I saw some of my neighbours banging pans, they were very loud. You could have a go at making some musical instruments and seeing the different sounds they make. Old cartons and rice make great shakers or could you make a string instrument? Can you remember how the sound travels to your ear? It would be great to see any instruments you make!

Mrs Brodie

nbrodie@handale.rac.sch.uk

Hi Year 3

How are you all? Did you manage to enjoy the lovely weather yesterday? I had a great afternoon at the beach.

Today will be my last daily message to you all before half term and the start of June when we welcome some children back to school. Tomorrow's daily message will be from Mrs Brodie. I would just like to say how proud I am of all of you for adapting to home learning so well. I have had some great work sent to me and it is brilliant to see you continue to work hard at home. Although I won't be writing daily messages to you anymore after half term, I will still check my emails so keep sending me them because I love to see your amazing work. I am also here if you need any help with anything.

I hope you all have a brilliant half term break - it looks like the weather will be nice so make sure you enjoy it!

Mrs Porter x

Hello Year 4,

Today is a special day in our household as it is Miss Price's birthday. We have completed some school work this morning and then this afternoon we are celebrating by having a lockdown tea party with lots of food. I cannot wait. Then, we are going to go for a nice walk later with the dog and hopefully enjoy the weather. I hope you are all ok and are attempting my challenge. Stay safe and see you all soon.

Mr Farrier

Hello Reception Children,

Did you manage to go on a listening walk? If you did I wonder if you managed to hear more things than me. Remember I heard 8 things and you know how much I like to win!

Today you could try playing a game of 'Guess what?' You need to play this game with another member of your family. For the game you need a set of pictures or objects and these need to be placed in the middle of you both. One person needs to give 5 clues for one of the pictures/objects. These could be what it does, what colour it is, where you would find it etc. The other person needs to guess which picture/object it is. You could then swap roles. If you get really good at the game you could try it without the pictures/objects in the middle.

Have fun!

With love

Mrs Skirving xx

Hello Year 5,

I hope you've been looking after yourselves in the sun - I forgot my sunscreen yesterday and ended up burning my nose.

Today I've stayed inside and baked some bread with Evie- we tried to make them look like frogs... but I'm not so sure. Still, it's nice to be creative. What creative ventures have you been up to recently? Drop me an email and let me know.

Stay safe,

Mr Bell

lbell@handale.rac.sch.uk

Hi children,

Well today I felt like having a chilled day as I felt a bit tired. I cleaned up and watched a bit of Netflix. This afternoon I baked a pie for tea and some cheese scones...mmmm yummy! Have you baked anything at home whilst we've been off school? I'd love it if you could give me some ideas if you have.

See you all very soon,

Miss Kendall

ekendall@handale.rac.sch.uk

Hello Year 1 and Year 2,

Today, I have completed some work at home and I have also had an afternoon tea party in my garden to celebrate my birthday. Thank you to those children who have wished me Happy Birthday, lockdown birthdays are quite strange but I have definitely made the most of it and enjoyed my day. Mrs Blakeley has also had her birthday this week so there have been lots of celebrations. Have any of you had a birthday so far in May? If you have, how did you celebrate? I hope you ate lots of cake – I certainly have.

What have you all been up to today? Please email me and show me as I would love to see. The weather is shining again, I am sure you all agree it makes us so much happier when we wake up to a pleasant day.

If you go on a walk today or tomorrow, why don't you collect some different resources: flowers, leaves, sticks and try to create a piece of art work? I have seen some pictures on the internet and they look excellent. If you do manage to do it, send me a picture so I can see what you have created.

Take care,

Miss Price x

rprice@handale.rac.sch.uk

Hello Year 6

I hope that this lovely Thursday finds you all fit and well. Tomorrow will be my last message as far as I can see but remember I am still at the end of an email so you can get in touch anytime. I thought that today I would give you a bit of a challenge in the celebration of children's literature. What I would like you to do is consider the book you are reading now or think about your favourite book. Then I would like you to recreate the front cover (either copying the original or coming up with your own). You can design this creation on a computer or plain paper then take a photo of it and send it to me. The best design will be awarded accordingly and what I would like to do, if I get enough of them, is to use them to create bunting to put up in the classroom. Fingers crossed that this is what I am able to do. It's for a great cause and I know you will do me proud here.

As always, take very good care all of you.

Mr Emmerson pemmerson@handale.rac.sch.uk
