

Daily Messages Wednesday 13th May 2020

Hello everyone,

As always I hope you are all well. It seems as though the days just roll into one and it is quite difficult some days to even remember what day it is. Well today is Tuesday and I would like to set you a challenge. I would like you all to write down the days of the week and within those days see how many words you can find. See if you could challenge someone in your house with another word, who will win? Today I'm again doing work for school and need to go get a bit of shopping, so I need to make sure I am safe.

Miss you all,

Miss Kendall

ekendall@handale.rac.sch.uk

Hello Reception Children

Hope you are all okay and looking after yourself and the rest of your family. Did you do any spellings yesterday? How did you do? If you found them tricky don't worry about it for now – just keep going remember practice makes perfect! If you tried your absolute best, very, very best then you can have a 'Pride Point' for having a go. Try again today, using the same spellings from yesterday and fingers crossed you may just get more correct today.

If you get the chance ask a grown up or older brother or sister if you have one to take a look on www.booktrust.org you will find a range of activities that I think you will like. I went on yesterday and found lots of wonderful things to do!

Take care of yourself and keep safe

With Love

Mrs Skirving xx

eskirving@handale.rac.sch.uk

Hi Year 3

How are you all today? I would love to hear from you.

Today, I have been working on the geography curriculum for when we all return to school. Have you been developing your geography skills and knowledge at home? Have you tried any of the activities from your topic home learning packs about the Antarctic? Can you look at a world map and name and locate the continents and seas? How about looking out for human and physical features while you are out exercising?

Let me know how you get on.

Mrs Porter x

Hello Nursery Children,

Well what good fun we have had today! We made some musical instruments using a pan and a wooden spoon and an empty bottle with rice in. We thought our musical instruments made a lovely sound (perhaps Mrs Lister's neighbours did not think so!) Mrs Lister then put on some music so we could play our instruments to the music and also have a little dance. Perhaps you could make some instruments (it's easy to do) and play them along to some music. You could get all of your family involved and have a little band!

Love from

Morning Floppy and Afternoon Floppy xx

clister@handale.rac.sch.uk

Hi Year 1 and Year 2,

How did you get on with your challenge yesterday? I can't wait to see how you have all done. You will have to wait to see mine tomorrow, I haven't quite finished it yet. I have been at home working today which has been a little bit different – I don't think I got out of my pyjamas until 1pm. I have also managed to have a good clean and catch up with some news and TV. I hope you are all doing ok and trying to keep motivated. Remember completing a little bit of work every day is very important and will help you for when you return to school.

If you need some different activities or ideas, please tell your parents to email me and I will give you some more ideas.

Have a look at a couple of these websites below, there are lots of books which you can download to read. The oxford owl site has the reading books we have in school so I know you will enjoy them.

Stay safe, miss you all,

Miss Price

Hello Year 6

How are you all? Well, I hope. Are you bored yet or quite happy? Keep in touch and tell me about what is going on in your lives. I will be in school next Thursday so if anybody wants to drop in any work at school rather than e-mail it, then please do. How have your plans changed now that a little bit of lockdown has been lifted? I will be very happy when it lifts properly. It seems to be the little things that I miss like just going where I want and when I want, seeing wider family, going out to eat, day trips etc. I like being at home but it would be nice to have options. Plus of course I miss being in school with all of you. You can only watch so much Netflix! Has anybody else tried any of the sites I have been sending out? Please tell me if you have and tell me how you feel about them. I enjoy the feedback, positive or negative.

Look forward to hearing from you.

Continue to take good care and stay safe.

Mr Emmerson

pemmerson@handale.rac.sch.uk

Hello Year 5,

I hope this message finds you well.

I had some lovely writing sent to me by Alfie this morning. It was nice to see that he has been working on his handwriting- I hope you have all been doing the same and not letting your standards slip. If you need some extra ideas of tasks you can do to help on keeping improving your handwriting whilst you are away from school, look

here: <https://www.pinterest.co.uk/pin/373658100318609565/>

I said yesterday how I was missing you all so I've come up with a challenge- because I haven't seen you for such a long time now, I'm worried I might have forgotten what you look like, so I'd like you to draw and send me a picture of your face. You can use this resource to help

you: <https://www.twinkl.co.uk/resource/t2-a-004-how-to-draw-a-face>

In the meantime, stay safe.

Mr Bell lbell@handale.rac.sch.uk

Hello Year 4,

Today, I have been in school with the children and we have had a productive and fun day. We started our day by creating some setting descriptions, followed by some exercise in the hall and outside on the field. This afternoon, we completed some more work and then had some free time.

I hope you have all had a nice day, completed lots of work and attempted my challenge.

Mr Farrier
