

Daily Messages Wednesday 20th May 2020

Good afternoon Year 4,

We finally have the sunshine back, let's hope it stays. I have had a really busy day doing lots of jobs for school. I managed to watch a football match on the TV at the weekend, the German league has started again. It was quite strange watching it without any fans, it was very quiet. I'm looking forward to the Premier League starting again and I really can't wait to start coaching my football team (whenever that may be). I bet a lot of you are missing doing your sports after school but remember you can complete your own exercises.

Have any of you completed my challenge yet? If you have, send me an email as I would love to see the games you have created.

Mr Farrier

rfarrier@handale.rac.sch.uk

Hello Reception Children,

What a lovely day it is today. Perhaps you have been on a walk with your family like me. Whilst I was on my walk, I heard lots of different sounds. I recorded some of the sounds on my phone and tried to guess what they were when I got back home. I then made a listening map of my walk. I drew a map and marked on all the sounds I had heard. I also made a list of the sounds and I had 8 different sounds; a seagull, a dog, people talking, a bin wagon, a bell, a phone ringing, the sea and a car. Perhaps you could go on a listening walk. I wonder if you hear more things than me.

With love

Mrs Skirving xx

eskirving@handale.rac.sch.uk

Hi Year 3

What a lovely day it is!

This morning, I have done some work and jobs in the house and this afternoon I am looking forward to getting outside in the sunshine with my family. I have made a picnic and we are going to walk to the beach and make the most of this warm weather (whilst social distancing of course). I hope you are all enjoying the sunshine too.

Stay safe,

Mrs Porter x

rporter@handale.rac.sch.uk

Hello Year 6

I hope that you are all well.

I will keep it brief today as I only have one item to tell you about. I have had an email from Freebrough stating that all Year 6 children have received a letter with a link on for yourselves to contact Freebrough. I don't know what the letter contains but I am told there is this link for you to respond to. If you haven't done so already, could you please respond to them through that link so that they can cross your name off the list? I am assuming that it is a first contact style thing. This is mainly for parents I assume but this seemed a good area to tell you all at once. Any questions about this let me know and I will try and find the answers if I can. However, I am sure that contacting Freebrough directly, probably by email which they will still be responding to may be a quicker route. I feel that this is probably pretty urgent so pass that message on sharpish.

Keep enjoying that sun and keep yourselves safe.

Mr Emmerson

pemmerson@handale.rac.sch.uk

Hello Year 5,

I hope you're enjoying the good weather. I've been in school today- it was lovely and warm so I sat outside on the picnic tables with Mr Farrier and Mrs Treloar at lunch time. Also, here's a picture of Jack, who has been hard at work creating a poster for mental health week, reminding us how we should behave with each other. Well done Jack.

Stay safe, Mr Bell lbell@handale.rac.sch.uk

Hi children,

Wow isn't it hot today! What have you all been up to, any pools filled up, bbq's ready? Today I have been in school with Miss Dean and we have been doing some gardening with the children. We spent lots of time outside but remembered to keep in the shade from time to time. The children wanted to play some athletic games so that's what we did this afternoon, it was so much fun. Get in touch and let me know how you have been having fun today.

How you've all had a great day,

See you soon,

Miss Kendall

ekendall@handale.rac.sch.uk

Hello Nursery Children,

We have been very busy today. Mrs Lister found some Lego and some instructions for building the Lego. The instructions showed us exactly what we needed to do to build our model. We followed the instructions carefully and worked together. Can you see what we have made? It's Pudsey Bear - you know how much we love Pudsey Bear! We were ever so proud of our model and Mrs Lister was proud too. Have you been doing anything that has made you or your family proud? If so remember to tell us about it or send a photo to Mrs Lister's email address.

Love from

Morning Floppy and Afternoon Floppy xx

Hello Year 1 and 2,

I hope you are all having a lovely day in the sunshine, I am looking forward to going home so I can sit in my garden. Have you created any work for Mental Health Awareness week? William has created an excellent poster, have a look at it and see what you think – I love it. Remember, the theme is all about kindness!

I hope you have all been keeping up with your reading? You should try reading in the garden today, you all know how important reading is so please remember to do it, Mayzie created a fantastic book cover yesterday - I love seeing what you have been doing. Year 1s, have you tried the daily phonics session online? I know Millie has been doing it and it keeps your mind refreshed and helps you remember all of the phonics you completed before school closed.

Keep smiling and stay safe, keep messaging me as I love to hear from you all!

Miss Price x
