Hello Nursery Children,

This weekend we had a zoom quiz with some of Mrs Lister's friends. Mrs Lister's goddaughter Millie had written the questions and we had to try to think of the answers. We had met most of Mrs Lister's friends before and of course we knew Poppy, so it was lovely to see them all again. It's a bit different seeing them on screen. The quiz was quite tricky and we didn't win - but it was fun taking part. It was also nice to chat to everybody afterwards.

We hope you had a good weekend.

Love from

Hello Reception Children,

I hope you had a good weekend. I had an email from Brie with a photo of the cakes she had made. They looked so yummy I wished I could have had a little taste of them! I wonder if anyone else has been baking while we have been at home - I know I have. If you haven't tried baking perhaps you may get a chance to, as it is good fun and you have something lovely to eat at the end of it.

Love from

Mrs Skirving x [eskirving@handale.rac.sch.uk](mailto:eskirving@handale.rac.sch.uk)

Good afternoon Year 1 and Year 2,

I hope you have had a lovely weekend and have managed to do some exciting things. Mine was very quiet but I enjoyed relaxing and completing some jobs around the house. I can't believe it is Monday again? The days and weeks are flying by. Have a look at your packs today and see what work you can complete this week, set yourself a target of completing work for one hour a day.

Have you found out much information about the Summer Topics? I know Year 1 you were asked to build a space ship or a rocket, have any of you managed to do this yet? If you have, please send me some pictures – I would love to see. Are you enjoying the Victorian topic Year 2? I bet if you have researched on the internet, you will have found lots of exciting facts. Have you found out what the school life was like yet? It was very different to what ours is like today.

Take care, keep smiling and keep making us proud.

Miss Price

Hello Year 3

Have you all had a nice weekend? I can't believe we are entering our 9th week of being away from school. I am really proud of how well you have all handled it and the work you have been doing at home. At the end of last week, I heard from Keira, who had been completing some geography work, and Elliot, who was enjoying learning in the garden. I'd love to hear from some more of you this week.

It looks like we are going to get some warm weather this week so make sure in between your home learning you make time to enjoy it- I certainly will be.

Hope to hear from lots of you this week,

Mrs Porter x

Hello Year 6

How are you? All well I hope.

So another week begins and we move into what would be our last week before half term. SATs would have been completed now and we would have been into a week with the pressure lessened and the feeling that we have done our best and that now it was just time to wait and keep our fingers crossed. The week following this would have been our half term and then following that it would have been the residential week at Kingsway. How differently things have turned out! However, we are all well, we are safe and we continue to spend quality time with our families. For that we can be grateful. We know that we will soon return to school and some form of normality. We will again see our friends and continue our learning and again that is something we can consider a privilege and a shining light at the end of this. So let's keep going, keep working hard and know that very soon we will be looking back on this whilst our lives move forward. Look forward to seeing you all.

Take care all of you.

Mr Emmerson

Hi Year 4,

Hope you have had a lovely weekend. Today, I have been in school tidying my classroom and sorting some other bits out. How have you been getting on with your work? I hope you're still doing little bits of work. I know it's difficult and gets a little boring at home but it is very important you continue to try and work.

My challenge this week is for you to design and make a game. It can be a board game or a physical game. Write a set of instructions and make it as exciting as possible.

Mr Farrier

[rfarrier@handale.rac.sch.uk](mailto:rfarrier@handale.rac.sch.uk)

Hello children,

The start of another week for us all. How are you going to make this week different to last? Could you try something new, try harder with your spelling or something? I'm going to try really hard to get up a bit earlier this week and to drink a lot more water. I am busy working hard today on school jobs and feel like I'm getting somewhere. Hopefully it won't be much longer until I see you all.

Keep working hard guys and stay safe,

Miss Kendall

Hello Year 5,

I hope you all enjoyed your weekend. I had a busy weekend in the garden, installing a projector, screen and speakers so that we could invite our neighbours over and imagine we are at the cinema (in a socially distanced style of course). It's the first time I've ever wished the sun would hurry up and go away.

This morning I have been working on my laptop, planning for the weeks ahead and responding to some lovely messages from some of you, whilst I count down the days until school opens again. I can't wait!

Stay safe,

Mr Bell
