

Tuesday 19<sup>th</sup> May 2020 Daily Messages

Hello Year 1 and Year 2,

I hope you are all keeping happy and safe at home. What has happened to the nice sunshine? I hope it comes back soon – it is my birthday on Thursday so I am hoping for a warm, sunny day!

What have you all been up to? Did you know that this week is Mental Health Awareness Week? I really love the theme, it is all about kindness. Can you do something at home to represent kindness? It could be a piece of artwork, or a booklet or even a colourful poster.

It has been really good to hear from some of you so far this week so keep your messages coming in. I have had a busy day at work updating the English planning – I know you all love English so I am trying to make it even better ready for when you return.

Stay safe and please keep in touch,

Miss Price x

Hello Reception Children,

I have been baking, I looked for some recipes that didn't use self-raising flour. (Can you remember I said I didn't have any?) Well I found a recipe for a chocolate cake made from only eggs, butter and chocolate. So I thought I'd give that a try. Well it was yummy - Mr Skirving really enjoyed it!

If you didn't fancy baking did you manage to make something from your recycling for Cheeky Monkey and the toys? I thought I would try to make a train for them and then they could all use it together. I used a box for the engine and then attached margarine tubs for the carriages. I can't wait to take it to school - I think they will all love it!

With love

Mrs Skirving xx

Hi Year 3

Today I have been in school, doing some jobs in our classroom. It was very quiet without you all there.

How are you all getting on at home? Have you completed any of the reading activities from your packs? Have you read any amazing books while you have been at home? If you have, you could write a book review or a letter to recommend it. I have just started reading a great book at home. Once I start reading, I find that hours can pass without me realising, which is great during times like these when I am stuck at home a lot. It would be lovely to hear about any brilliant books you have been reading at home.

Keep in touch,

Mrs Porter x

Hello Year 6, as always I hope today finds you well. Lovely to hear from a number of you telling me about the work you are doing, asking questions that you need answering and providing me with book reviews. It's always good to hear from you and every message is welcomed. This will be the last week of daily messages with Year 6 due back in school on 1st June and with it being half term next week, Friday will probably be the last daily message that I send. However, that does not mean that I am not here. You can still contact me anytime during this week and next with any questions you would like answered or to show me your work. There is never a bad time so please just get in touch. Of course, and always, tell me about what you have been up to. It is always interesting hearing about other people's lives and as my favourite people, your lives are important to me so keep in touch.

How do you feel about coming back? Let me know.

Take care all of you.

Mr Emmerson

Hello Year 4,

I hope you are all ok and keeping safe. It seems so long ago now since we were last in school but I am really glad that lots of you have kept in touch to show me what you have been up to.

It is important that we keep communicating as it will make things a little bit easier when we return to school.

I have been busy completing some work at home today, I had a really good day in school yesterday and it has made me look forward to seeing you all even more – let's hope it isn't too much longer.

Take care,

Mr Farrier

[rfarrier@handale.rac.sch.uk](mailto:rfarrier@handale.rac.sch.uk)

Hey guys,

How are you all doing? As always I hope you are well and keeping yourself busy. The situation we are still in is beginning to feel normal now, isn't it? Well hopefully soon we will be back to 'normal' as we used to know it and back in the classroom learning and having fun. I do miss you all and can't wait to see you again. Today I got up early and have been doing lots of work at home, keeping my mind busy thinking of all the things we will be doing when we return. I've still only heard from Ethan since we've been away from school via email, so if you can, send me a picture or just a message I would love to hear from you all.

Take care all of you,

Miss Kendall

Hello Nursery Children,

Today we thought we would play some games. Mrs Lister said we could choose 3 games to play. Our favourite was Tumbling Monkeys. Mrs Lister showed us how to play it. We needed to throw the dice and then whatever colour it landed on we had to pull out that coloured straw. But when we pulled out the straw we had to be careful that all the monkeys didn't fall from the tree. It was really exciting as we pulled each straw waiting to see if the monkeys would come tumbling down! Have you been playing any games with your family?

Love from

Morning Floppy and Afternoon Floppy xx

Hello Year 5,

I hope this message finds you well.

I have spent this morning at school, clearing and sorting out the maths cupboard. It was certainly starting to get a little messy and cluttered, but it looks good now.

I've had a lovely message from Alfie this morning, who has gone and got himself a cute new puppy called Walter.

Stay safe,

Mr Bell
