

# Goodbye and Good Luck!

Well the day is here Friday 10<sup>th</sup> July 2020 the last day for our year 6 pupils!

It would be easy to look back at the last academic year and feel so sad for the wonderful things that the year 6 pupils have missed out on. But instead I would like the year 6 pupils to look forward to all the opportunities that secondary school is going to offer them.

There is no doubt whatsoever that you will be missed, year 6 pupils, and it has been lovely having over half of you in school since the 1<sup>st</sup> of June. I know school has been quite different for you but you have been absolute superstars, taking it all in your stride and working very hard when you have been here.

Handale is not going to be the same without you. You are a year group full of character, which has got some of you into bother from time to time but has also meant that you have been full of life. You have embraced all the wonderful things that you have been able to do whilst at Handale and it has been a privilege to have helped you so much in your learning journey. I look back at your time in Handale with fondness and I hope you do too.

We really do look forward to hearing from you as you start the next leg of your journey and progress through life. Please remember to take our three golden rules with you and please keep in touch.

**Work hard and Aim High, Be kind  
and Show Respect**

With love and best wishes from all the staff at Handale Primary School
