Reception - Miss Stone

Good Morning Reception,

I hope you are all keeping safe and well. Today, I am in school and I am going to be busy doing lots of jobs. I hope that you are keeping busy at home too. I have really enjoyed receiving pictures and emails to let me know how hard you have all been working, keep trying your best. This week I would like you to challenge yourself to get outside and get as much fresh air as you possibly can. You could go for a walk with your family and look for some bugs in the grass or enjoy doing some exercise outdoors. It is important we go outside to do exercise as it helps to keep us healthy and happy.

Please remember I will do 2 drop-in zoom sessions a day, one at 10.30am and one at 2pm. You can ask any questions you wish to or show me some of your work. I will also read a story on an afternoon so feel free to drop in.

This morning, your job is to practice your letter formation. I would like you to sit up smartly and hold your pencil properly, remember this will help you to write better. Here is the video: <https://youtu.be/VLI7Q-rNaM>

This morning's exercise is Yoga. Here is the link:

Reading Books

Please use the Oxford Owl reading site to download reading books for your child to read. Alternatively, if you wish to change your child's reading book, please send me an email and we can arrange a date and time for you to come to school.

Phonics

In Phonics today, I would like you to watch this video and join in.

[Lesson 33 \(part 2\) - Reception - YouTube](#)

I have also made a video to look at some more high frequency words. Please join in with me and say the words.

After watching the video, I would like you to practice writing some of the words which you see in the video including van, jam, neck, cat and nod. Then, I would like you to tell your family a sentence with one of those words in. As an extra challenge you could try and write that sentence. I am going to write the sentence 'The cat is in the van', you could write the same sentence as me.

Maths

Today, I would like you to complete these short activities at home:

- Count to 20 forwards and backwards.
- Write the numbers from 1-20.
- Choose a number from 1-20 and find that many objects in your house.
- Find some objects in your house and see if you can make 5 in many ways, just like we practiced yesterday.

Reading

Today, I would like you to choose one of your favourite stories at home and read this with someone in your family. Talk to your family about the front cover.

What is a front cover? Can you read the blurb?

You could make some predictions about what you think may happen during the story.

Activities

Here are some other activities for you to have a go at:

- Read a phonics book on oxford owl or you can read your own phonics book if you have one. Remember to keep practicing so you become fluent with reading. [Free eBook library | Oxford Owl from Oxford University Press](#).
- Retell the story of the three billy goats gruff to your family. This video retells the story if you would like to watch it to remind yourself - <https://www.youtube.com/watch?v=aiy3a1v9Q2E>
 - Practice writing your full name.
- Do a jigsaw or if you do not have a jigsaw at home you could draw a picture on some paper, cut it up and see if you can put it back together again.
- Do something to make someone in your family happy. You could tidy up for your mum or play with your brothers and sisters. You could help dad do some jobs around the house or tidy your bedroom. It is nice to make other people smile.
- Think about your calendar - what day of the week are we on? What is the weather like? What month is it?

I have also left the phonics play link here: username: jan21 and password: home.

Keep trying your best, you are superstars! Remember to send me an email to show how hard you are working.

Take Care, Miss Stone.
